

A close-up photograph of laboratory glassware. In the foreground, a test tube is partially filled with a bright blue liquid. To its left, another test tube is also filled with the same blue liquid. In the background, a graduated cylinder is visible, also containing the blue liquid. A glass dropper is positioned above the test tube in the foreground, with a single drop of the blue liquid hanging from its tip, about to fall into the tube. The background is dark and out of focus, emphasizing the glassware and the vibrant blue color of the liquid.
