My Years With General Motors

Alfred P Sloan

My Years With General Motors:

My Years with General Motors Alfred Sloan, 1990-10-01 My Years with General Motors became an instant bestseller when it was first published in 1963. It has since been used as a manual for managers offering personal glimpses into the practice of the discipline of management by the man who perfected it. This is the story no other businessman could tell: a distillation of half a century of intimate leadership experience with a giant industry and an inside look at dramatic events and creative business management. Only a handful of business books have reached the status of a classic having withstood the test of over fifty years time. Even today Bill Gates praises My Years with General Motors as the best book to read on business and Business Week has named it the number one choice for its bookshelf of indispensable reading. [A Ghost's Memoir](#) John McDonald, 2002 What has been largely unknown until now is that My Years with General Motors was almost not published. Although it was written with the permission of General Motors and slated for publication in October 1959 at the last minute, General Motors tried to suppress the book out of fears that some of the material in it could become evidence in an antitrust action against the company. This book by John McDonald, Sloan's ghostwriter, tells the behind-the-scenes story of the book's writing, its attempted suppression, and the lawsuit that eventually led to its publication. McDonald's narrative is partly the David and Goliath story of a lone journalist taking on the world's then largest corporation and partly a study of strategy in its own right. McDonald's struggle to publish the book led him to navigate a complicated course among the competing interests of General Motors, Fortune magazine, his employer, and Time Inc., Fortune's owner. *My Years With General Motors* Alfred P Sloan, 2015-01-16 Alfred P Sloan Jr led the General Motors Corporation to international business success by virtue of his brilliant managerial practices and his insights into the new consumer economy; he and General Motors helped to produce Sloan's business biography. My Years With General Motors was an instant best seller when it was first published in 1964 and is still considered indispensable reading by modern business giants. [My Years with General Motors](#) Alfred P. Sloan, John McDonald, Catharine Stevens, 1986 **My Years with General Motors** Alfred Pritchard Sloan, 1972 [Summary: My Years with General Motors](#) BusinessNews Publishing, 2014-09-29 The must-read summary of Alfred P Sloan Jr's book My Years with General Motors. How General Motors Was Built Into the Largest Corporation in the World. This complete summary of the ideas from Alfred P Sloan Jr's book My Years with General Motors shares Alfred P Sloan Jr's experience as a CEO of General Motors from 1923 to 1946. In his book, the author explains the policies and processes he used at General Motors to make it the number one organisation in the automobile industry. By learning about his strategies, you can start applying them to your own business and take your company to the next level. Added value of this summary: Save time. Understand the key concepts. Expand your business knowledge. To learn more, read My Years with General Motors to learn about one of the top companies in the world and how it achieved success. [My Years With General Motors](#) Alfred P. Sloan, Jr., Peter Ferdinand Drucker, 1990-08-30 This memoir by Sloan was an instant bestseller when it appeared in 1964. It has remained a favorite

among managers and mgmt students Sloan wrote this book to counterbalance a book that GM's senior exec thought to be pernicious Peter Drucker's book on GM 3 Concept of the Corp 2 pub in 1946 the first study of mgmt as a discipline the first study of a big corp from within Sloan defended Drucker's right to publish the study but Sloan wrote this response which Bill Gates praises as the best book to read on bus It offers personal glimpses into the practice of the 3 discipline of mgmt 2 by the man who perfected it a distillation of 50 years of intimate leadership experience with a giant industry and an inside look at dramatic events and creative bus mgmt My years with General Motors. By Alfred P(ritchard) Sloan Alfred Pritchard Sloan, 1972

My years with General Motors Alfred P. Sloan, 1967 **My Years with General Motors, [by] Alfred P. Sloan, Jr. Edited by John McDonald with Catherine Stevens**, 1964 **My Years with General Motors** Alfred Pritchard Sloan (Jr.), 1969 **My Years With General Motors and Other Stories** Richard A. Underwood, 2010-06-07 Once this country's largest and most successful corporation General Motors has now fallen into bankruptcy Back in the 1950s during its heyday Richard Underwood and his family knew and worked with some of General Motors top executives Underwood worked at GM Central Office and at Chevrolet Central Office in Detroit Michigan The author combines his inside observer's view of its rise and historic fall with a brief memoir of his life both before and after working at the corporation

Pierre S. du Pont and the Making of the Modern Corporation Alfred D. Chandler, Jr., Stephen Salsbury, 2025-06-23 An admirable biography The book is well written piques the reader's curiosity to keep going and is well documented The New York Times A splendid piece of business history Chandler and Salsbury's history of du Pont represents a major contribution as business history the book is superb What is involved in transforming a small firm into a corporate giant That is the central question and the authors have provided an excellent analytical answer Antitrust Bulletin Alfred Chandler is the world master of institutional business history a first class company and entrepreneurial history David S Landes Economic History Association's EH net An interesting book fascinating reading as a study in business decision making definitely an important work a major contribution to business and economic history as well as required reading for all concerned with twentieth century American history The Journal of Economic History Pierre du Pont was the prime mover in the evolution of the DuPont and General Motors companies into two of the biggest of big businesses in early twentieth century America This painstakingly crafted study describes with commanding scholarship what du Pont did and how he did it This massive at times microscopic but always purposeful and controlled study is indispensable to an understanding of the coming of big business to modern America The American Historical Review Many books and many articles have been written about the du Ponts the Du Pont Company and General Motors Some of them deserve the overworked word excellent but for the business historian none of them approaches the book that Chandler and Salsbury have written It is really a history of Du Pont and General Motors in the most important of their formative years Business historians should read Pierre S du Pont or turn in their union cards Pennsylvania History Sloan Rules David Farber, 2002-11-15 Alfred P Sloan Jr became the president of General Motors in

1923 and stepped down as its CEO in 1946 During this time he led GM past the Ford Motor Company and on to international business triumph by virtue of his brilliant managerial practices and his insights into the new consumer economy he and GM helped to produce Bill Gates has said that Sloan s 1964 management tome My Years with General Motors is probably the best book to read if you want to read only one book about business And if you want to read only one book about Sloan that book should be historian David Farber s Sloan Rules Here for the first time is a study of both the difficult man and the pathbreaking executive Sloan Rules reveals the GM genius as not only a driven manager of men machines money and markets but also a passionate and not always wise participant in the great events of his day Sloan for example reviled Franklin Roosevelt and the New Deal he firmly believed that politicians government bureaucrats and union leaders knew next to nothing about the workings of the new consumer economy and he did his best to stop them from intervening in the private enterprise system He was instrumental in transforming GM from the country s largest producer of cars into the mainstay of America s Arsenal of Democracy during World War II after the war he bet GM s future on renewed American prosperity and helped lead the country into a period of economic abundance Through his business genius his sometimes myopic social vision and his vast fortune Sloan was an architect of the corporate dominated global society we live in today David Farber s story of America s first corporate genius is biography of the highest order a portrait of an extraordinarily compelling and skillful man who shaped his era and ours **Alfred P. Sloan** John Cunningham Wood, Michael C. Wood, 2003 This two volume collection looks at the life and work of Alfred Pritchard Sloan Jr 1875 1966 chief executive of General Motors from 1923 to 1946 whose unique and ahead of its time management style left an indelible mark on business and management studies Also featuring an extensive bibliography this set will prove valuable to business students and researchers alike **My years with General Motors** Alfred Pritchard Sloan, 1964 **"Better Living"** William L. Bird, 1999 Better Living Advertising Media and the New Vocabulary of Business Leadership 1935 1955 is a history of how big business learned to be both entertaining and persuasive when talking to the public Examining the years from the Depression to postwar prosperity Better Living follows the dissemination of a politically competitive claim of more new and better in industry and in life Beginning with the changes in business government relations during the New Deal this study looks at the ways in which politically active corporations and their leaders learned how to speak at a time when speaking was not enough Using archival sources such as the NBC Ford Motor Company DuPont and Franklin Delano Roosevelt collections William L Bird Jr establishes the importance of industrial films and their role in public relations and employee relations as well as the use of dramatic radio productions in corporate public relations The author examines the interplay between general mass radio and print advertising radio program sponsorship and scriptwriting sponsored motion pictures and television entertainment as well as exhibitions and industrial fairs and the role these media played in shaping ideas about American business and political and cultural institutions in this country for the decades to come Book Jacket On a Global Mission:

The Automobiles of General Motors International Volume 3 Louis F. Fourie, 2016-12-29 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM

The Automobile Age James J. Flink, 1990-07-19 In this sweeping cultural history James Flink provides a fascinating account of the creation of the world's first automobile culture He offers both a critical survey of the development of automotive technology and the automotive industry and an analysis of the social effects of automobility on workers and consumers

The Emergence of Modern Marketing R.A. Church, Andrew Godley, 2004-08-02 This collection of essays considers the emergence of modern marketing by examining product differentiation and brand creation distribution and retailing strategies as well as advertising in a range of International case studies

My Years With General Motors Introduction

In the digital age, access to information has become easier than ever before. The ability to download My Years With General Motors has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download My Years With General Motors has opened up a world of possibilities. Downloading My Years With General Motors provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading My Years With General Motors has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download My Years With General Motors. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading My Years With General Motors. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading My Years With General Motors, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download My Years With General Motors has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About My Years With General Motors Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. My Years With General Motors is one of the best book in our library for free trial. We provide copy of My Years With General Motors in digital format, so the resources that you find are reliable.
