Injection Molding of Thermoplastic Materials - 2 A. Whelan,John Goff,1991-02-28 Over the years 1984 to 1989 we published a series of articles on the molding of thermoplastics and of thermosetting materials in the monthly magazine British Plastics and Rubber B P R These articles were very well received and we also received a large number of requests for reprints The articles were also translated into languages other than English In order to cater for what is obviously a need in both the ther moplastics and the thermosetting molding industries we there fore brought the information together and produced it in book form To make the material easier to handle we produced it in the form of several books and this is one of them We can only hope that the information so presented serves you well and that you find the information useful We in turn would like to thank the editor of the magazine B P R for helping us in this matter Thanks are also due to our many friends and colleagues throughout the molding industry for their useful help and advice in particular the company Moldflow Europe limited deserve a special mention as they allowed us to extract information from their extensive data base *Technical*
