[The 5-Minute Teacher](#) Mark Barnes, 2013-08-15

Even in an education system driven by the Common Core State Standards and high stakes testing teachers must adapt their methods to the styles of the modern learner. This means creating a student centered classroom driven by brief interactive instruction from highly skilled teachers who know when the time is right to get out of the way. The five minute teacher is one who delivers quick thought provoking lessons that send students clamoring to find meaning on their own with the help of peers and using the concepts and tools the teacher has provided in just a few minutes to create a wondrous student centered classroom. Barnes shares real anecdotes and practical strategies for transforming any learning environment into a remarkable student centered classroom.
