

## Lincoln Viewing Guide

### Directions:

Answer the following prompt/questions as you view the film *Lincoln* in class. If you miss an answer, try to make notes in the margins but DO NOT distract your neighbors; you will have time to discuss or ask questions at the end of each viewing day as well as at any time the teacher pauses the video to discuss. You are encouraged to write down quotes from the film or specific scenes that you might later use in your written response.

### Day One

1. At the start of the film, two black soldiers are having a conversation with President Lincoln. What is the topic of discussion and what does it seem the two soldiers want the president to know?
2. During the same scene, two additional soldiers join around Lincoln. How is this conversation different? Why do you think the director of the film might have included this scene?
3. At the White House, a couple comes down to meet to visit the President. What is their opinion on the 13th Amendment? How does their opinion change in relation to the ending of the Civil War?
4. In the meeting with advisors and staff, President Lincoln shares a story about a client he had when he was a lawyer in Illinois. What was Mrs. Goring being charged with and what does Lincoln reveal about her character in this scene?
5. What does Lincoln reveal about his feelings towards the War Powers clause and his reasoning for passing the Emancipation Proclamation?
6. In the same scene, what does Lincoln claim separates him and his actions from that of a dictator?
