

A woman in a long, dark, flowing dress is running on a wooden pier towards the ocean. The sun is low on the horizon, creating a bright, hazy glow that silhouettes the woman. Her arms are outstretched, and her hair is blowing in the wind. The sky is a warm orange color, and the ocean is visible in the background. In the top left corner, there are some decorative orange leaves and berries.

But their connection was definitely one way; it had to be. Because he could never be the man in a million she was looking for, not with the things he'd done and seen. Prose to the People Katie Mitchell, 2025-04-08 A stunning visual homage to Black bookstores featuring a selection of shops around the country alongside essays that celebrate the history, community, activism, and culture these spaces embody, with an original foreword by Nikki Giovanni. Black literature is perhaps the most powerful polarizing force in the modern American zeitgeist. Today, as Black novels draw authoritarian ire, as Black memoirs shape public debates, as Black polemics inspire protest petitions, it's more important than ever to highlight the places that center these stories: Black bookstores. Traversing teeming metropolises and tiny towns, *Prose to the People* explores these spaces, chronicling these Black bookstore's past and present lives. Combining narrative, prose, eye-catching photography, one-on-one interviews, original essays, and specially curated poetry, *Prose to the People* is a reader's road trip companion to the world of Black books. Thoughtfully curated by writer and Black bookstore owner Katie Mitchell, *Prose to the People* is a must-have addition to the shelves of anyone who loves book culture and Black history. Though not a definitive guide, this dynamic book centers profiles of over fifty Black bookstores from the Northeast to the mid-Atlantic, the South, and the West Coast, complete with stunning original and archival photography. Interspersed throughout are essays, poems, and interviews by New York Times bestsellers Kiese Laymon, Rio Cortez, Pearl Cleage, and many more journalists, activists, authors, academics, and poets that offer deeper perspectives on these bookstores' role throughout the diaspora. Complete with a foreword by world-renowned poet and activist Nikki Giovanni, *Prose to the People* is a beautiful tribute to these vital pillars of the Black community.

First, Best Steven L. Reed, Fagan Harris, 2023-10-10 The first Black mayor of Montgomery, Alabama, shares his story of making his way in a world that wasn't built for him, drawing on his rich heritage as the son of a civil rights leader. As a proud son of a civil rights leader, Steven L. Reed grew up hearing stories about how his father integrated Montgomery lunch counters and took advice directly from Dr. Martin Luther King Jr. and Reverend Ralph Abernathy. However, it wasn't until Reed was in the fourth grade and received a death threat against his father that he began to understand more fully the importance of the lessons his father was trying to impart. At this pivotal moment, his father explained, "My job is to prepare you to be a cross bearer and not just a crown wearer. Bigotry has no place in our household. It will only hold you down and make you small." *First, Best* is an essential antidote to the perpetual dehumanization and distortions of Black men in our culture and media. By sharing the story of forging his own path, Reed offers an alternative narrative to Black men coming of age, catalyzing their hope and sense of possibility. Although Reed took a circuitous path to the office of mayor that began by forging his identity at Morehouse College, pursuing entrepreneurship and exploring the wider world and serving as a probate judge, each step was guided by the values of his

father s generation First Best is not just about assuming the mantle of manhood or leadership nor is it only about the expectation of greatness Fundamentally it s about responsibility and preparation serving others and being willing to pay the price of leadership by carrying the weight of each decision First Best affirms the next generation of Black men and women by showing through story and example their power and potential in a world that doesn t always root for them **A Mighty**

the Charles A Weyerhaeuser Forest History Society Book Award The Black Woods chronicles the history of Black pioneers in New York s northern wilderness From the late 1840s to the 1860s they migrated to the Adirondacks to build the farms that helped them meet a 250 property requirement imposed on Black New York voters in 1821 Abolitionist Gerrit Smith gifted 120 000 acres to 3 000 landless Black New Yorkers with the support of Frederick Douglass John Brown and other

abolitionists His prescient plan enacted affirmative action and distributive justice But when most of his grantees did not move north Smith's interest cooled He would not visit Timbuctoo Freeman's Home or Blacksville The settlers were on their own In *The Black Woods* Godine revives this history with stirring stories of frontier life and racial justice She puts the vote seeking Black pioneers at the heart of the Adirondack narrative At long last their shaping role has been reclaimed

King Jonathan Eig, 2023-05-16 A NEW YORK TIMES BESTSELLER SELECTED AS ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF 2023

Vividly written and exhaustively researched, Jonathan Eig's *King* is the first major biography in decades of the civil rights icon Martin Luther King Jr. and the first to include recently declassified FBI files. In this revelatory new portrait of the preacher and activist who shook the world, the bestselling biographer gives us an intimate view of the courageous and often emotionally troubled human being who demanded peaceful protest for his movement but was rarely at peace with himself. He casts fresh light on the King family's origins as well as MLK's complex relationships with his wife, father, and fellow activists. King reveals a minister wrestling with his own human frailties and dark moods, a citizen hunted by his own government, and a man determined to fight for justice even if it proved to be a fight to the death. As he follows MLK from the classroom to the pulpit to the streets of Birmingham, Selma, and Memphis, Eig dramatically re-creates the journey of a man who recast American race relations and became its only modern-day founding father as well as the nation's most mourned martyr. In this landmark biography, Eig gives us an MLK for our times: a deep thinker, a brilliant strategist, and a committed radical who led one of history's greatest movements and whose demands for racial and economic justice remain as urgent today as they were in his lifetime.
