Study Guide to Accompany David G. Myers Psychology Tenth Edition in Modules Richard O. Straub, David G. Myers, 2012-03-02 **Psychology In Modules** David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations **Psychology, Sixth Edition in Modules** David G. Myers, 2001-07 The hardcover spiralbound edition of Myers's new modular version of Psychology 6 e *Psychology, Seventh Edition, in Modules (spiral)* David G. Myers, 2003-09-22 This breakthrough iteration of David Myers best selling text breaks down the introductory psychology course into 55 brief modules **Exploring Psychology in Modules** David G. Myers, C. Nathan DeWall, 2016-01-01 The new edition of Exploring Psychology in Modules offers outstanding currency on the research practice and teaching of psychology Myers and DeWall inspire students with fascinating findings and applications effective new study tools and technologies and a compassionate and compelling storytelling voice Their presentation is based on the same guiding principles behind the entire family of textbooks that have made David Myers the world's bestselling introductory psychology author Facilitate learning by teaching critical thinking and helping students at every step Present psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts Make sure students come away with an appreciation of psychology's big ideas and with a deeper respect for humanity what drives us distinguishes us unifies us This Exploring Psychology in Modules is the first to include Myers handpicked co author Nathan DeWall shares Myers belief that instilling a sense of curiosity and inquiry about psychological science is an effective way to help students navigate the content think critically and prepare for a lifetime of learning and living The extraordinary longtime Myers ancillary author team is also here a group whose teamwork consistency and commitment again sets the industry standard for instructor and student supplements The high quality that consistently sets Myers ancillaries apart sees a new incarnation in LaunchPad This course space organizes all the book's digital resources in an online format that makes it easier for instructors to teach track and assess their students This text offers the content organized in 45 student friendly modules assignable in any sequence and brief enough to be read in one sitting Students digest material better when they process it in smaller chunks as spaced rather than massed practice and instructors often appreciate the flexibility of assigning any modules in any order

Exploring Psychology, Eighth Edition, In Modules David G. Myers, 2010-07-08 Exploring Psychology Eighth Edition in Modules is the modular version of the 1 bestselling brief introduction to psychology David Myers's Exploring Psychology All the Myers hallmarks are here the captivating writing coverage based on the latest research helpful pedagogical support in a format that delivers the utmost in student accessibility and teaching flexibility **Psychology In Modules (Spiral)** David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving

the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author s style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book s 16 chapters into 59 short modules is yet another example of the author s ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers [Exploring Psychology, Sixth Edition in Modules \(Spiral\)](#) David G. A Psychological Biography of Hiram "Hank" Williams Paul R. Nail, Ph.D., 2024-04-09 Volume II picks up in 1943-44 right where Volume I left off with Hank's courtship and marriage to first wife Audrey Sheppard Guy Williams his rise to fame at the Louisiana Hayride 1948-49 and at the Grand Ole Opry 1949-50 before success began closing in on him by December 1950 Hank was only 27 years old at the time and no one knew that he had only two more years to live Despite Hank's growing alcoholism marital and health problems and eventual addiction to prescription drugs his last two years were perhaps the most productive and successful of his career A special feature of Volume II is that Dr Nail devotes an entire chapter to the art and craft of songwriting Here Nail provides what I believe is the most accurate and comprehensive analysis to date of the relative contributions of Hank and his publisher song editor Fred Rose to Hank's songs Like Volume I Volume II is a must read for anyone seeking greater understanding and insight into the short but fabulous life and career of the legendary Hank Williams I wholeheartedly recommend it Ed Guy noted Hank Williams expert Understanding the Times Jeff Myers, David A. Noebel, 2015-09-01 Your view of God determines your view of the world You hold in your hands a landmark guide to understanding the ideas and forces shaping our times Understanding the Times offers a fascinating comprehensive look at the how the tenets of the Christian worldview compares with the five major competing worldviews of our day Islam Secular Humanism Marxism New Age and Postmodernism Understanding the Times is a systematic way to understand the ideas that rule our world While the material is expansive the engaging easy to understand writing style invites you to discover the truths of God and our world This classic should be on the shelf of every Christian home on the desk of every pastor and in the hands of every Christian student headed off to college
