A Legacy of Endurance John Prcela, 2016-02-01 A Legacy of Endurance Memoirs of My Long Life by John Prcela My World War II and especially postwar experiences prompted me to write this book In the aftermath of WWII almost my entire Croatian generation was murdered in a long chain of Death Marches and extermination camps throughout the then existing Communist Yugoslavia However the would be historians of that period of history have left just the blank pages about my murdered Croatian generation or they have described those victims as murderers Such travesty of justice and history prompted me to write this autobiography although I already wrote several historic books on that horrifying subject I am a survivor of that peace time Croatian Holocaust known as the Bleiburg Tragedy That is why in these memoirs I want to leave to the future American and Croatian generations my own legacy which I not only lived through so many tragic vicissitudes but also described it in several historic and theological books

On Both Sides of the Street Alan Head, 2016-08-11 On Both Sides of the Street is a real life story about a man who experiences meteoric successes both personally and professionally only to have them come crashing down through a series of life changing disasters some self inflicted some not Taken in their totality one would surely find these events to be unbelievable The story begins in the midst of this downward spiral and then reverts to a chronology of the man s life beginning in his upbringing in East Tennessee followed by a normal ascent into adulthood where he seemingly could do no wrong His journeys take him to virtually every part of America Europe and then ultimately Central America His experiences include enviable successes both professionally and personally with a propensity to attract the opposite sex some

to his painful bane Life could hardly have been any better With a sense of premonition he suffers the loss of a son endures two divorces the loss of all of his assets and ultimately destitution The story describes his reactions to these disasters and gives a profound sense of the pain associated with each of these The reader will get an acute sense of the frailty of the human spirit and in most cases how not to react to them The story spans over fifty years and includes a strong dose of historical perspective describing some of the most significant events of the last half century It also includes some colorful descriptions of many parts of America Europe and finally the country of Belize There are also sprinkled in some commentary on political geopolitical and macroeconomic issues of our time seemingly tongue in cheek but actually not intended to be so The story is a truly remarkable memorialization of a man s progression through life with a shocking ending It is a story of a man who has truly lived on both sides of the street
