SHORT ANSWER QUESTIONS

SECTION 1 - FEATHERS FROM A THOUSAND LI AWAY

This series of stories addresses the desire of the Chinese mothers for their daughters to have better lives in America than they had in China. The better life is symbolized in the swan one mother brought with her. Immigration officials took it from her, leaving her with only one feather to remind her of what she had left behind. Even when her daughter's life fails to live up to her expectations, the mother keeps the one feather and thinks that one day she will use it to explain, in perfect English, all of her good intentions for her daughter.
