Key Concepts

Directions: This worksheet is designed to help students understand the structure and function of the Supreme Court. It includes a list of projects and games that students can use to learn more about the Court.

Introduction & Overview

1. The Supreme Court is the highest court in the United States. It is made up of nine Justices, one Chief Justice and eight Associate Justices. The Justices are appointed by the President and confirmed by the Senate.

2. The Supreme Court has the power to review and decide on the constitutionality of laws and government actions. This is known as judicial review.

3. The Supreme Court also has the power to hear appeals from the lower courts. This means that if a case is appealed to the Supreme Court, the Justices will review the lower court's decision and decide if it is correct.

4. The Supreme Court's decisions are final and binding on all other courts in the United States. This means that once the Supreme Court has decided a case, the lower courts must follow its decision.

5. The Supreme Court also has the power to issue writs, which are court orders that can be used to enforce the Court's decisions. For example, the Court can issue a writ of habeas corpus, which is a court order that requires a person to be brought before the court to determine if they are being held in custody illegally.
