Manual Autocad Architecture 2012 Espanol:

Commercial Design Using AutoCAD 2012 Daniel John Stine, 2011-04-11 *Commercial Design Using AutoCAD 2012* is designed for the architectural student using AutoCAD 2012. The intent is to provide the student with a well rounded knowledge of tools and techniques for use in both school and industry. This text takes a project based approach to learning AutoCAD in which the student develops a campus library. Each book comes with a CD containing numerous video presentations of the written material. The first two chapters are intended to get the reader familiar with the user interface as well as the most common menus, tools, and commands that are required to work effectively with AutoCAD 2012. By the end of chapter two, the student will be excited and prepared to take on a much larger project. Throughout the rest of the book, the student develops the campus library. Using step by step tutorial lessons, the library project is followed through to create FFE plans, interior elevations, schedules, and details. In these chapters, many of the additional tools and features of AutoCAD 2012 are covered in greater detail. General building codes and industry standard conventions are covered in a way that is applicable to the current exercise.
