Evans,2021-09-14 Women are often told by their communities that being a mother will complete or define them But many

mothers find themselves depleted and spiritually stagnant amid the everyday demands of being a mom. They long to experience a rich inner life but feel there is rarely enough time, energy, or stillness to connect with God in a meaningful way. This book takes the concept of rewilding and applies it to motherhood. Just as an environmentalist seeks to rewild land by returning it to its natural state, Shannon Evans invites women to rewild motherhood by reclaiming its essence through an expansive feminine spirituality. Drawn from the contemplative Catholic tradition and Evans's own parenting experience, *Rewilding Motherhood* helps women deepen their connection to God through practices inherent to the life they're living now. Topics include work-life balance, identity, solitude, patience, household work, and mission for the common good. Throughout, Evans encourages women to see motherhood as an opportunity to discover a vibrant feminine spirituality and a deeper knowledge of God and self.

Hand Wash Cold Karen Maezen Miller, 2010-09-24 It's easy to think that meaning, fulfillment, and bliss are out there somewhere outside of our daily routine. But in this playful yet profound reflection on awareness, the compelling voice of a contemporary woman reveals the happiness at the bottom of the laundry basket, the love in the kitchen sink, and the peace possible in one's own backyard. Follow Karen Maezen Miller through youthful ambition and self-absorption, beyond a broken marriage, and into the steady calm of a so-called ordinary life. In her hands, household chores and caregiving tasks become opportunities for self-examination, lessons in relationship, and liberating moments of selflessness. With attention to the little things, even the unexpected, unpleasant, and unwanted things that count.
