Mother Land Leah Franqui,2020-07-14 Lively and evocative *Mother Land* is a deftly crafted exploration of identity and culture with memorable and deeply human characters who highlight how that which makes us different can ultimately unite us Amy Myerson author of *The Bookshop of Yesterdays* and *The Imperfects* From the critically acclaimed author of *America for Beginners* a wonderfully insightful witty and heart piercing novel set in Mumbai about an impulsive American woman her headstrong Indian mother in law and the unexpected twists and turns of life that bond them When Rachel Meyer a thirtysomething foodie from New York agrees to move to Mumbai with her Indian born husband Dhruv she knows some culture shock is inevitable Blessed with a curious mind and an independent spirit Rachel is determined to learn her way around the hot noisy seemingly infinite metropolis she now calls home But the ex pat American's sense of adventure is sorely tested when her mother in law Swati suddenly arrives from Kolkata a thousand miles away alone with an even more shocking announcement she's left her husband of more than forty years and moving in with them Nothing the newlyweds say can budge the steadfast Swati and as the days pass it becomes clear she is here to stay an uneasy situation that becomes more difficult when Dhruv is called away on business Suddenly these two strong willed women from such very different backgrounds who see life so differently are alone together in a home that each is determined to run in her own way a situation that ultimately brings into question the very things in their lives that had seemed perfect and permanent with results neither of them expect Heartfelt charming deeply insightful and wise *Mother Land* introduces us to two very different

Motherland Vineeta Vijayaraghaven, 2009-07-01 Great middle grade fiction **Legacy** Hugo N Gerstl, 2019-02-22

Today Turkey stands at the center of the world as it has for millennia. Yet once again its position as an international power is ambiguous. It straddles the Occident and the Orient yet it is neither comfortable with or trusted by either East or West. Beneath its glittering exterior Turkey is a dormant volcano ready to explode again as it has done so many times throughout history. In **LEGACY** we meet Turhan T rko lu and Abbas H k mdar victims of unspeakable poverty and cruelty each of whom will walk entirely different paths in life. We come face to face with Halide Orhan one of the greatest heroines of modern literature. In this volume we witness the death throes of a decaying superpower the Ottoman Empire and the beginning of the modern era marked by the horrors of World War I. Each of these three characters leave their indelible imprint on their Motherland. Hugo N Gerstl international bestselling author lived in Turkey during two of the most turbulent years of its modern history and the love with which he writes this monumental saga is palpable. This volume translated and published in Turkey as **MIRAS** is one of only a handful of epics about Turkey by a foreign writer to be accorded the honor of publication by a respected Turkish publishing house. Novels Scribe International Best Seller. The Motherland Saga in three volumes Legacy Emergence and Coming of Age. The Motherland Saga is also available in an Anthology Edition Legacy The Birth of Modern Turkey. I have become a novelist by following their footsteps. I love Yusuf Atilgan he manages to remain local although he benefits from Faulkner's works and the Western traditions. Orhan Pamuk Motherland Hotel is a startling masterpiece a perfect existential nightmare the portrait of a soul lost on the threshold of an ever postponed Eden. Alberto Manguel This moving and unsettling portrait of obsession run amok might have been written in 1970s Turkey when social mores after Atatürk were still evolving but it stays as relevant as the country struggles to save the very democratic ideals on which the Republic was reborn. Brilliant writing Poornima Apte Booklist Starred Review Turkish writer Atilgan's classic 1973 novel about alienation obsession and precipitous decline nimbly translated by Stark. An unsettling study of a mind steeped in violence dropping off the edge of reason Kirkus Reviews A maladroit loner who runs the seen better days Motherland Hotel in a backwater Turkish town Zeberjet has become obsessed with a female guest who stayed there briefly and frantically anticipates her presumed return as Zeberjet becomes increasingly unhinged we're drawn into his dark interior life while coming to understand Turkey's post Ottoman uncertainty. Sophisticated readers will understand why Atilgan is called the father of Turkish modernism while those who enjoy dark psychological novels can also appreciate

Barbara Hoffert Library Journal Yusuf Atilgan gives us a wonderful timeless novel about obsession with an anti hero who is both victim and perpetrator living out a life neither dead nor alive in a sleepy Aegean city Motherland Hotel is an absolute gem of Turkish literature Esmahan Aykol author of Divorce Turkish Style Yusuf Atilgan like Patrick Modiano demonstrates how the everyday can reflect larger passions and catastrophes Beautifully written and translated Motherland Hotel can finally find the wider audience in the west that it deserves Susan Daitch author of The Lost Civilization of Suolucidir The freedom that Atilgan articulates isn't the freedom of Lord Byron or Milton Friedman It's more like the sense of freedom that comes with finally having a diagnoses It's the freedom that comes from understanding that you're imprisoned in other people's ideas of freedom But there's a consolation and a quiet wisdom that comes from understanding that these definitions will pass in turn like guests checking out of a hotel Scott Beauchamp Full Stop Zeberjet the last surviving member of a once prosperous Ottoman family is the owner of the Motherland Hotel a run down establishment a rundown establishment near the railroad station A lonely middle aged introvert his simple life is structured by daily administrative tasks and regular routine sex with the hotel's maid One day a beautiful woman from the capital comes to spend the night promising to return next week and suddenly Zeberjet's insular mechanical existence is dramatically and irrevocably changed The mysterious woman's presence has tantalized him and he begins to live his days in fevered anticipation of her return But the week passes and then another and as his fantasies become more and more obsessive Zeberjet gradually loses his grip on reality Motherland Hotel was hailed as the novel of the year when it was published in 1973 astonishing critics with its experimental style its intense psychological depth and its audacious description of sexual obsession Zeberjet was compared to such memorable characters as Quentin Compson in Faulkner's The Sound and the Fury and Meursault in Albert Camus The Stranger While author Yusuf Atilgan had already achieved considerable literary fame Motherland Hotel cemented his reputation as one of Turkey's premier modernists

The Motherland Gwen Davis, 2005-12-14 The Motherland is a searing saga of two American families with unforgettable unique characters Evelyn the audacious sassy beautiful daughter of warm hearted simple funny loving people who doesn't want to have their kind of life She runs away from her native Pittsburgh and her boring first husband and with young daughter in tow lands Sonny Sterne a brilliant sensitive investment banker who with his ambitious brother turns Wall Street on its ear An amazing portrait of ambition and passion by turns comic and touching And in Evelyn an unlikely heroine darkly self involved but strangely irresistible
