*How to Build a West Coast Chopper Kit Bike* Mike Seate, This book presents a step by step guide to building a West Coast Chopper's C F L kit. Kit choppers are hot commodities. While few people can afford to buy a custom built chopper from one of the high end builders like Jesse James bikes that often sell for 100,000 or more, many can afford to buy such bikes in kit form. Because of this, all the high end builders sell their creations in kit form. For example, while Jesse James might build perhaps a dozen custom bikes per year, he sells hundreds of chopper kits. The same is true of any number of other builders like Matt Hotch, Cyril Huze and Paul Yaffe. Authored by Mike Seate and featuring the photography of Joe Appel, this book is a step by step how to guide for anyone building a kit chopper.
