Episode Guide Cold Squad:

Focus On: 100 Most Popular Television Series by Warner Bros. Television Wikipedia contributors, *The Crime Junkie's Guide to Criminal Law* Jim Silver, 2007-12-30 Historically prime time television has devoted at least one third of its programming to crime The extreme popularity of crime shows continues unabated From Law Order to CSI Americans are riveted by crime TV Court TV and other cable channels produce true crime series too that take viewers through both current crimes and trials and cold cases Yet despite efforts in these shows to depict real investigative and legal techniques chances are viewers have questions about criminal procedure legal issues and related concerns For instance why do police get angry when a suspect just asks for a lawyer Or what s the difference between being an accomplice to a crime and being a conspirator The Crime Junkie s Guide to Criminal Law is written specifically for the millions of crime junkies who make up the audiences for the variety of crime dramas both real and fictional that blaze across our screens night after night The news media know that crime is inherently interesting because it involves things we all understand like passion greed revenge and the urge to make very close friends in prison Television broadcasts and major magazines drip with salacious details about the infamous evildoings of the moment From the sports to the style sections newspaper headlines scream out reports of the latest celebrity picked up for one transgression or another This one of a kind book is an indispensable guide to criminal law that uses actual trials alongside plots and characters from popular television shows to illustrate criminal law issues like degrees of murder the defense of intoxication search warrants insanity pleas and the purposes of various pretrial hearings Silver offers a concise informative and entertaining explanation of everything readers need to know to truly appreciate crime stories real and fictional and understand how criminal law really works Drum ,2006 **Television Westerns Episode Guide** Harris M. Lentz,1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949 Westerns have been the genre of choice for 180 series Some Gunsmoke Bonanza and Maverick for example were classics others such as 26 Men and Shotgun Slade were quickly forgotten From Adventures of Briscoe County through Zorro and Son this comprehensive reference work covers all 180 Western series Each entry opens with a listing of the broadcast history of the series including original network day and time This is followed by a listing of the regular cast members and a brief premise of the series The individual episodes are then covered with the title original air date leading guest stars and a brief synopsis given An exhaustive index completes the work **TV Guide** ,2007 **The Readers' Advisory Guide to Genre Fiction, Second Edition** Joyce G. Saricks,2009-01-01 Experienced librarian and coach Ruth Metz outlines a focused and results oriented plan for achieving the best results from staff members through a coaching style of management The Readers' Advisory Guide to Genre Fiction Joyce G. Saricks,2009 This revised edition provides a way of understanding the vast universe of genre fiction in an easy to use format Expert readers advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres **Leadership through the Lens** Creshema R. Murray,2017-12-19 Television informs our

perceptions and expectations of leaders and offers a guide to understanding how we as organizational actors should communicate act and relate Because of its pervasiveness as a medium and the impact it can have in influencing expectations of leadership and related behavior within organizational life television can be understood an important pedagogical tool Leadership through the Lens Interrogating Production Presentation and Power is an edited collection of 11 chapters that address representations of leadership in scripted and unscripted workplace settings showcasing the innovative ways in which diverse leadership styles are illustrated in a variety of contexts on television With a unique approach at the intersection of leadership and mass media studies this book shows how the two disciplines coexist to inform how leadership culture is produced and transformed via presentation and representations on television
