Friend of Sinners Bible Study Guide
Rich Wilkerson Jr., 2018-04-10 The Bible tells us that Jesus was called a lot of names by people Many of the religious leaders of the day were jealous of his success and wanted to discredit him in the eyes of the public so they said all sorts of crazy things about him They whispered that he was an illegitimate child They accused him of being demon possessed They denounced him to the Roman authorities as a rioter and a threat of public peace In this five session video Bible study DVD digital videos sold separately pastor and author Rich Wilkerson Jr reveals how one of their nicknames for Jesus was true Here is a friend of tax collectors and sinners Luke 7 34 In the religious leaders minds this was one of the greatest indictments imaginable but for Jesus it was a sign of success because it was the very definition of his mission Today Jesus still calls us friends not because of who we are or what we have done but because of who he is While he was on earth he knew that people needed to feel as if they belonged before they would want to behave Rich shows that by following his example we can have the same clear conviction and compassion for the lost that Jesus did When we embrace the truth that we all need Jesus equally and when we trust him to bring transformation in people s hearts we will walk as Jesus walked experiencing the glory of God in our own lives and in the lives of those around us The Friend of Sinners Study Guide includes video discussion questions Bible exploration and personal study and reflection materials for in between sessions Sessions include Missed Message Weight Shift Lost and Found Comfortably Uncomfortable How to Be Great Designed for use with the Friend of Sinners Video Study sold separately

Saint Teresa of Avila The Book of Her Foundations: A Study Guide Marc Foley, OCD, Teresa of Avila, Otilio Rodriguez, OCD, 2012 The Book of Her Foundations is the least read the least quoted the least known of St Teresa's works Why this is so is probably because people do not think it is a spiritual book But as you read on you find that St Teresa grew in holiness not in spite of obstacles such as being entangled in lawsuits mired down in disputes over dowries tied up in interminable bureaucratic red tape and having to deal with unscrupulous businessmen but because of these difficulties None of these challenges impeded her spiritual growth This study guide will help us to see how Teresa grew in holiness in the marketplace as much as in the cloister perhaps even more so None of us has been called to found convents but like Teresa all of us are called to practice virtue and grow in holiness within the fray of daily life
