## **Iron John A About Men:**

**Iron John** Robert Bly, 2015-11-10 The 25th anniversary edition of the groundbreaking New York Times bestseller with a new afterword by the author which offers a new vision of what it is to be a man In this timeless and deeply learned classic poet and translator Robert Bly offers nothing less than a new vision of what it means to be a man Bly's vision is based on his ongoing work with men as well as on reflections on his own life He addresses the devastating effects of remote fathers and mourns the disappearance of male initiation rites in our culture Finding rich meaning in ancient stories and legends Bly uses the Grimm fairy tale Iron John in which a mentor or Wild Man guides a young man through eight stages of male growth to remind us of ways of knowing long forgotten images of deep and vigorous masculinity centered in feeling and protective of the young At once down to earth and elevated combining the grandeur of myth with the practical and often painful lessons of our own histories Iron John is an astonishing work that will continue to guide and inspire men and women for years to come
