Song of the Season Thomas Hischak, 2024-03-21 What links the popular songs *You'll Never Walk Alone* *Send in the Clowns* *Memory* and *I Am What I Am* They all originated in Broadway musicals *Song of the Season* is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs from early 20th century classics

such as *Show Boat* and *Oklahoma* through to the contemporary sound of *Dear Evan Hansen* and *Hamilton* looking at outstanding songs from each Broadway season the development and history of the musical is illustrated with a fresh perspective As song styles and popular music tastes changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as songs evolved from the waltz and ragtime to jazz rock rap and hip hop Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John *Song of the Season* paints a fresh picture for musical theatre students and fans alike illustrating significant changes in the form through the music Analyzed in an accessible and engaging way that doesn't rely on music theory knowledge and including a link to playlist where all the songs of the seasons can be listened to it is a must have for those looking to expand their knowledge of the form and trace the social history of the American showtune
