Is Your Selfishness Destroying Nations:

A Treatise on the Industry of Nations Joseph Salway Eisdell, 1839 **SPOIL THE CHILD, DESTROY THE NATION** Dipo Toby Alakija, 2018-06-02 This collection of sixteen short educational dramas exemplify the decadent lifestyles especially among Nigerian youths as opposed to the family and national values that are portrayed in the pledge to the nation. All the stories are based on some of the most intriguing cases that are studied at different times and locations in Nigeria. While some dramas hold westernization through means of information and entertainments accountable for the near extinction of the major part of Nigerian values, others establish the fact that parents who spare their children from rigours of normal life often create out of them menaces that would pose serious threats to lives and properties in future. This parental factor also exposes young minds to life of luxuries instead of preparing them to face the huddles ahead of them. The various issues that boil on the sources of social vices and crimes in Nigeria are so vividly presented in all the dramas that they can be imagined like motion pictures. A treatise on the industry of nations; or the principles of national economy and taxation Joseph Salway Eisdell, 1839 **Commencement of the second Christian epoch, or, Christ is coming, by a Christian** Jesus Christ, 1874 *A Treatise on the Industry of Nations* Joseph Salway Eisdell, 2011-11-24 By exploring fiscal sociology this two volume set first published in 1839 investigates issues of the nineteenth century British economy Congressional Record United States. Committee on Finance, 1955 The Industrial Development of Nations George Boughton Curtiss, 1912 **The Christian monthly and family treasury**, 1882 **If the Foundations be Destroyed** Dr John McElhaney, 2019-08-20 This book reveals the problems that we have today that are destroying the things that God has established. The picture of the family has been so distorted because of divorce living together without marriage, homosexual marriage and lifestyle transvestites and many other things that it does not resemble what God established at all. The government has been corrupt ever since it has been in place. Look at the horrible things the government has sanctioned down through the years. The treatment of the native Americans by killing them and taking their land through trickery or force. Look at slavery the most horrendous thing this country has ever done is enslaving black folks for two hundred fifty years and after they received freedom they were still treated as inferior and not welcome by white folks. The church in America does not resemble the early church at all weak preachers who fear man more than God. The church is totally segregated in America the white church still is so prejudice in the south Scientific American, 1899 **Church Administration and Management** Dag Heward-Mills, 2011 Achieving excellence in church management Vital information
