 outlet to the tragedies that have occurred in my life I have survived child abuse physical verbal emotional abuse racism and
 discrimination for my sexuality I have overcome dark moments and have enjoyed happy ones and through it all I have had my
 eyes on the prize The goal has always been to share with others my thoughts and feelings no matter how raw and uncensored
 they may be I share my innermost demons because I know that there are many others out there just like me Women and

 speaks for the generation of African American men who were teens during the crack cocaine era of the 1980 s 1990 s From

 twelve years in prison In an honest and brutal way Shellman tells his life story from a powerless child to a power crazed
 misdirected youth survival of the fittest on the streets and life within some of the roughest prisons in New York State
 Throughout the story you witness his search for self peace and spiritual growth as he sought to balance his troubled life
 which would ultimately lead him through life threatening situations where by chance and little wit he would overcome time
