

MANUAL HANDLING RISK ASSESSMENT

(Adapted from the Worksafe Australia & WorkCover NSW Manual Handling Risk Assessment Checklist)

This checklist is provided to assist the assessment of manual handling risks. It should be used as a guide when assessing a manual handling task, and is to be used by volunteers under supervision by Club/Zone Executive and/or Safety Officers.

- Place a tick in either the "Yes" or "No" boxes for each and every question. "No" includes "not applicable".
- Answering "Yes" to any of the following questions indicates an increased manual handling risk.
- "Suggested control options" should only be seen as a preliminary brainstorming activity, prior to the process of Risk Control.
- Where possible, the supervisor may be able to take appropriate action to follow-up recommendations arising from this assessment.

Legal Aspects of Occupational Therapy Bridgit C. Dimond, 2008-04-15 Since publication of the first edition in 1996 this book has established itself as an essential text for occupational therapists. It offers an understanding of the law relating to their practice but is written to be accessible for those who have no prior legal knowledge. The text provides valuable information for occupational therapists employed in health and social services as well as the law relevant to private practitioners. The book includes chapters on all the main client groups and presents the relevant specialist law. Students and teachers of occupational therapy will find the chapters on professional registration, education, training and research of particular interest. The second edition also provides an introduction to the complex organisational and legal developments which impact the work of the occupational therapist including the Human Rights Act, the Health and Social Care Community Health and Standards Act 2003, the concept of clinical governance and the role of the new Health Professions Council. It is a generous resource for the occupational therapy student, practitioner and service manager.
