Manual On Policies And Procedures For Purchase Of Goods:

Public Procurement Policy Gustavo Piga, Tunde Tatrai, 2015-07-24 Appropriate laws and regulations are an essential tool to direct the action of procurers toward the public good and avoid corruption and misallocation of resources. Common laws and regulations across regions, nations, and continents potentially allow for the further opening of markets and ventures to newcomers and new ideas to satisfy public demand. This book collects original contributions from both economists and lawyers related to the new European Union Directives just approved in 2014 by the EU Parliament. Uniquely, this book combines juridical and technical expertise so as to find a common terrain and language to debate the specific issues that a Public Administration in need of advancing and modernizing has to face. This format features for each section an introductory exchange between two experts of different disciplines made of a series of sequential interactions between an economist and a lawyer that write and follow up on one another. This is to enrich the liveliness of the debate and improve the mutual understanding between the two professions. There are four sections characterized in this book supporting social considerations via public procurement, green public procurement, innovation through innovative partnerships, and lots of the Economic and Legal Challenges of Centralized Procurement. This book will be of interest to policy makers, practitioners working in the field of EU public procurement, as well as academics.

Drafting of Contracts – Templates with Drafting Notes Ravi Singhania, 2020-06-01 This book is an essential handy guide for any draftsman and in-house counsels as it not only contains the practical and usable templates that can serve as a prototype for the various contracts but also provides a sense about the purpose and critical points of the contract. For each of the chapters along with the templates, there is an introduction and drafting notes allowing a reader to grasp the essence and importance of the clauses. It comprises of chapters on Partnership, Procurement of goods, services, and assets, Mergers, Acquisitions, and Joint Ventures, Real Estate, Employment, Confidentiality, Franchise, Trademark, Patent, Copyright, publishing, broadcast, reproduction, and performer's rights, Agency Hire, Purchase, Turnkey, EPC, and Project Finance. One chapter is exclusively devoted to one of the most important clauses in any contract, i.e., the Dispute Resolution clause, and it covers the intricacies of this clause with respect to different contracts. This book will prove useful for professionals, students in understanding the practical details of varied contracts, act as a beginning point for practitioners, and be useful for all considering the vast number of contracts dealt with.

Key Features: A must to have for in-house legal teams, consultants, legal practitioners, and fresh lawyers. Templates of important and day-to-day contracts acting as a beginning point for practitioners. Practical and business-oriented templates for day-to-day contracts with introduction and drafting notes. Special focus on Dispute Resolution clauses in most of the agreements. Useful for professionals, students to understand the practical details of varied contracts.
