**The Comprehensive Physicians' Guide to the Management of PANS and PANDAS** Scott Antoine,2024-02-06 An evidence based guide for doctors diagnosing testing and treating children with PANDAS Pediatric Autoimmune Neuropsychiatric

Disorder Associated with Strep infections In the early 1990s a group of researchers at the National Institute of Mental Health began collecting data on children who had developed neuropsychiatric disorders OCD and tics following infections They found evidence that antineuronal antibodies had developed in some of these children which attacked the basal ganglia region of the brain MRI and PET scans in these children demonstrated inflammatory changes in the basal ganglia as well In 1997 the researchers published the first article to describe this syndrome that they named PANDAS Pediatric Autoimmune Neuropsychiatric Disorder Associated with Strep infections In PANDAS an autoimmune attack on the brain occurs following a Strep infection PANS Pediatric Acute onset Neuropsychiatric Syndrome is a broader term that also includes cases following exposure to other infections toxins and even stress Clinicians treating children with PANS and PANDAS have found that antibiotics targeted at the offending organisms steroids and IVIG results in marked improvement and occasionally complete remission of the neuropsychiatric symptoms Disturbing symptoms consistent with many DSM 5 psychiatric disorders manifest in patients with PANS and PANDAS yet we know that there is a biologic basis for the changes in these children As a result these disorders require us as physicians to view mental illness in an entirely new way Resistance to this change in paradigm has made PANS and PANDAS difficult for clinicians to diagnose unbearable for parents to endure and controversial for scholars to accept As such there is no recognized standard of care We have written this work in an effort to change that This is a textbook by physicians for physicians It was written to bring back some of the art of medicine to physicians caring for a group of children and families who really need it PANS and PANDAS are complex disorders that demand a rich multifaceted response with novel treatment approaches The material in this book is assembled from the peer reviewed medical literature in combination with over thirty years of clinical experience caring for the sickest patients both in and out of the hospital Here you will find conclusive evidence for the existence and pathophysiology of PANS and PANDAS alongside testing and treatment interventions the author has successfully used in his own practice with hundreds of children The book concludes with rich appendices including commonly used labs doses of medications and supplements a sample flare protocol extensive support for parents sample IVIG orders and much more We hope this resource allows you the physician to help these suffering families heal
