

Part One: The Hearth and the Salamander Comprehension Check

1. he is happy, proud; he whistles, smiles, feels a burning of excitement and thrill as he watches things burn, especially in the first few paragraphs
2. Answers will vary. (Sample student answer: She is 16, and will turn 17 next week; she is feisty and opinionated, but soft and a little romantic; she is mysterious and aloof, and believed to be anti-social by society.)
3. He remembers when he was a child and had a power failure. His mother lit a candle and Montag had a moment of both physical and mental illumination. They were enjoying one another's company in the dark—and he didn't want the lights to come back on.
4. He laughed and said, "That's against the law!"
5. they argue about whether houses have ever been fireproof; that firemen used to put out fires
6. things go way too fast—there is not even time to read a 20-foot billboard as everyone speeds by, so they have extended them to 200 feet
7. He was arrested once for driving too slow and once for being a pedestrian; no one is allowed to wander, meander, or take their time to enjoy life. Simply taking a walk for enjoyment is unheard of.
8. "Are you happy?"
9. He remembers meeting a man on a bench who had a book of poetry hidden inside his coat; the man gave Montag his name and phone number.
10. Answers will vary. (Sample student answer: Montag is having a moment of realization. He feels as if there is a mirror in front of him as Clarisse brings out his innermost fears and thoughts. He is beginning to question why things are done the way they are, and starting to become a bit of a rebel.)
11. cold; distant; like a "mausoleum" and a "tomb"; reveals the impersonal feeling of the home
12. Answers will vary (Sample student answer: He doesn't want light coming in. This could be symbolic, as Montag is questioning and fighting the new thoughts that are entering his head.)
13. an empty pill bottle
14. They are like snakes; one man inserts one of these "snakes" into Mildred, sucking out all her impurities, in this case, the pills; the other man inserts a snake to suck all the impure blood from her body, then replaces it with fresh blood. They treat her inhumanly, like a doll or a dead object. They have to perform these "cleansings" quite often, and in fact, have about 10 a night and are on their way to another after Mildred.
15. laughter coming from Clarisse's house; he goes across the lawn to hear more, even tap on the window to listen, but fear gets the best of him
16. Seashell Radios (ear thimbles); she listens constantly to the broadcast of constant talking and sounds and "white" noise; she is an expert at lipreading, now; she may want to drown out other human interaction, she may just be so used to it that she doesn't think of doing anything else; possibly because of the constant hum or because they are so small
17. She has no memory of anything; she denies doing something "like that," asking why she would do such a foolish thing.

Fahrenheit 451 Study Guide Answers The Hearth And The Salamander

Kathleen Armour

Fahrenheit 451 Study Guide Answers The Hearth And The Salamander:

Yeah, reviewing a books **Fahrenheit 451 Study Guide Answers The Hearth And The Salamander** could grow your close friends listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have extraordinary points.
