Crested Geckos John

Orlando, 2019-09-09 Reptiles are popular pets and it can be argued that the crested gecko is the best reptile to keep as a pet. This newly updated and expanded edition of the best selling *The crested gecko Manual* promises to excite new and seasoned herp enthusiasts with its in depth discussion on all aspects of crested gecko keeping. Crested geckos are one of the most exciting species to enter the reptile hobby in the last several decades. Long thought extinct, several lizards were found to be living in New Caledonia in the mid 1990s. Shortly thereafter a handful of these geckos made their way into the pet trade where they proved to be one of the hardiest least demanding species a reptile lover could desire. But keepers must still learn all they can about the biology, behavior and natural history of these charming lizards to have a good chance at successful maintenance. Inside you will find information about these subjects as well as the basic techniques keepers use to keep their crested geckos healthy and happy.
