late 70s and settling down in Texas Since there are days for no hay pitching stalls to clean or fences to fix there was time for other satisfying and pleasurable activities to engage in In the bunk house in the drawer of an old file cabinet which has seen its better days is a folder containing copies of many e mails he has sent to a mail list over the past few years He never kept any of the replies sent to him for reasons which have escaped his mind Often comments about a certain subject written about were received It was not uncommon for someone to say better layoff the juice or hide the jug in the barn There was one who said that he was a hoot whatever that is When the mood came upon him to tell folks hither and yonder how it is at Wandaland he just weighed in and commenced to write His e mails are styled as News from Wandaland where the cows are always hungry and never give up their milk More than once a person or two would say you should write a book about that This is a collection of a few of his News from Wandaland just to show that he is not loco strange or a complete idiot as some people have commented Perhaps you will say there is a wrangler out there sending e mails all over the country and you should read one or two The short stories are Reflection of rural life of the Parker family of fifteen siblings living in East Texas The author penned the stories when he worked for a major oil company at Dead Horse Alaska in the 1970s when there were total dark days and cabin fever would set in He truly hopes the e mails and the short stories are pleasurable Thank you for allowing them to be shared with you Sincerely Kodell Parker head wrangler at Wandaland Dancing Arabs Sayed

Kashua,2007-12-01 In this slyly subversive semi autobiographical novel of Arab Israeli life a Palestinian man struggles against the strict confines of identity Publishers Weekly In Sayed Kashua s debut novel a nameless anti hero contends with the legacy of a grandfather who died fighting the Zionists in 1948 and a father who was jailed for blowing up a school cafeteria in the name of freedom When the narrator is granted a scholarship to an elite Jewish boarding school his family rejoices dreaming that he will grow up to be the first Arab to build an atom bomb But to their dismay he turns out to be a coward devoid of any national pride his only ambition is to fit in with his Jewish peers who reject him He changes his clothes his accent his eating habits and becomes an expert at faking identities sliding between different cultures schools and languages and eventually a Jewish lover and an Arab wife With refreshing candor and self deprecating wit Dancing Arabs is a chilling convincing tale of one man s struggle to disentangle his personal and national identities only to tragically and inevitably forfeit both Publishers Weekly Rings out on every page with a compelling sense of human truth Kirkus Reviews Despite its dark prognosis there is a lightness and dry humor that lifts it with the kind of wings its protagonist once hoped for Booklist *Arts Gazette* ... ,1919 Billboard ,1971-07-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Encyclopedia of Film* James Monaco,1991 An alphabetical reference on the major film figures stars producers directors writers et al past and present Each entry provides a substantial career biography and a complete listing of all films

Bob and Larry best friends since high school are evangelists who travel the country and stop at churches when God tells them to stop Most of the time they are there to listen to the challenges each church is facing help with a service or two and perform any needed repairs before moving on When Bob and Larry stop in Southwind Nevada they feel that God has something important for them to accomplish there When they arrive in a church parking lot they are met by Pastor Brown who takes them into his office and reveals that although his congregation is full of good people he cannot get them to respond to his preaching Brown feels the congregation has gone cold to the Holy Spirit because a teenage girl was recently raped and murdered in Southwind and the perpetrator has not been found As Bob and Larry begin working to uplift the pastor and his congregation now only time will tell if their prayers will be answered and miracles will unfold or if Satan will have his way and destroy the church forever In this Christian novel two evangelists arrive in Southwind Nevada to guide a church through challenges after a local murder leaves the congregation reeling
