

"One of the five best science fiction novels ever written."  
—George R.R. Martin

**Roger Zelazny**

A glowing Buddha statue is the central focus of the image, seated in a meditative pose. The statue is a bright, ethereal yellow, contrasting sharply with the dark, deep blue background. The background is filled with a dense field of small, white stars, giving the impression of a vast, cosmic space. The statue's features are serene, with a slight smile and closed eyes. The overall mood is one of mystery and wonder, fitting for a science fiction novel cover.

# Lord of Light

"Funny, wise, and infused with a sense of wonder and knowledge....  
Nobody else made myths real and valuable in the way Roger Zelazny could."  
—Neil Gaiman

Robinson,2019-07-11 This well-written, accessible essay collection demonstrates a maturation in Jewish studies and medieval philosophy. Choice. Too often, the study of philosophical texts is carried out in ways that do not pay significant attention to how the ideas contained within them are presented, articulated, and developed. This was not always the case. The contributors to this collected work consider Jewish philosophy in the medieval period when new genres and forms of written expression were flourishing in the wake of renewed interest in ancient philosophy. Many medieval Jewish philosophers were highly accomplished poets, for example, and made conscious efforts to write in a poetic style. This volume turns attention to the connections that medieval Jewish thinkers made between the literary, the exegetical, the philosophical, and the mystical to shed light on the creativity and diversity of medieval thought. As they broaden the scope of what counts as medieval Jewish philosophy, the essays collected here consider questions about how an argument is formed, how text is put into the service of philosophy, and the social and intellectual environment in which philosophical texts were produced.     **Christian Doctrine in the Light of New Testament Revision** Alexander Gordon,1882     Seven Ways of Looking at the Transfiguration Sarah Hinlicky Wilson,2024-08-06 Jesus metamorphosed. Celebrities from the past. Petrified disciples. Luminous cloud. An event as important as Christmas or Easter. Are you a preacher wondering what you can possibly say new and interesting on Transfiguration this year, to say nothing of all the Transfigurations that lie ahead of you? Are you an everyday believer curious to learn more about this holiday celebrated every year yet somehow overlooked and ignored? Are you hooked on weird theological terms intrigued by the fact that transfiguration is Latin for the Greek metamorphosis, as in butterflies and Kafka, and love to explore every wild and woolly corner of the Bible? Are you tired of Peter always getting bashed for his offer to build booths? If you answered yes to any or all of these questions, then *Seven Ways of Looking at the Transfiguration* needs to be at the top of your reading list. The seven ways: 1. Metamorphosis: Jesus. 2. Eschaton: Elijah. 3. Exodus: Moses. 4. Tabernacles: Israel. 5. Eyewitnesses: Peter, James, and John. 6. Cloud: God the Father. 7. Parousia: My Son, My Beloved. Questions about the Transfiguration answered in the book. What can it possibly mean for the eternal Lord to be transfigured, metamorphosed, changed? Why does Luke delete the word transfigured from his version of the well-known Transfiguration? Why does only Jesus

clothing change in Mark's Gospel but his face too in Matthew and Luke Why was it Moses and Elijah out of all possible Old Testament figures who met with Jesus on the mountaintop Not because they represent the law and the prophets Which mountain was it anyway Why were Peter James and John the only disciples invited to see the Transfiguration Why was it so offensive for Peter to offer to build three booths for the three famous men Not because he was a babbling idiot Why does God speak to Jesus at his Baptism and his Transfiguration but not at his Resurrection Why doesn't the Gospel of John have a Transfiguration story Or does it Why doesn't St Paul talk about the Transfiguration Or does he Why does Second Peter of all oddball little epistles talk about the Transfiguration Will we be transfigured someday too What essential thing does the Transfiguration tell us about Jesus that his Resurrection does not
