*Underdogs and Outsiders [Large Print]* Tom Fuerst, 2016-09-20 There's something about underdogs that makes us cheer them on And stories about outsiders always make a good movie script or book Maybe it's because we know how it feels to be in last place or left out We may never win a trophy or become a hero but as Matthew shows us God uses people like Tamar Rahab Ruth Uriah's wife and of course Mary in unexpected ways This five session study looks at the lives of these five women and will help you see how even underdogs and outsiders can play a pivotal role in God's purposes You'll uncover new dimensions of familiar stories and be reminded to look for God in unanticipated places during this Advent season Designed to be used by individuals and small groups In addition to the main content each chapter offers questions for reflection and discussion a brief prayer and a focus for the week The weekly focus emerges from the chapter content and encourages the readers to engage a spiritual practice or do something specific that will help them grow in faith Tom Fuerst is one of the most effective communicators I know He writes as he preaches with clarity and compassion Rarely is one able to communicate solid scholarship with effective popular

*The Whole Counsel of God* Tim Patrick, Andrew Reid, 2020-02-27 Expository preaching has been on the rise over the last five decades with more and more pastors preaching through entire books of the Bible systematically But few if any preachers have a long term plan to teach through every book of the Bible over a lifetime of ministry Since the whole Bible is God s Word to his people all of Scripture is important in order to grow as

Christians Written to make a case for the necessity of a long term plan for preaching through the entire Bible instead of just through individual books this is not just a book on how to preach but also how to plan and prepare long range preaching programs through the whole counsel of God      *Foundations of our Faith* B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled *Doctrine for Dummies* is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine      *Dr. William Smith's Dictionary of the Bible* H.
