De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives A Call to Love Julie Holmquist,2018-05-08 Are you considering or entering the adoption or foster care

A Call to Christian Formation John C. Clark, Marcus Peter Johnson, 2021-07-20 This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world Christian formation is incomplete and impossible without theological formation because Christ transforms our hearts and minds attuning them to the reality of God As the authors explore the deep connections between theology and the life of the Christian they emphasize Christian formation as a defining feature of the church arguing that theology must be integrally connected to the church s traditions and practices

The summer holidays had begun and the great convent school was deserted all its pupils gone but two who were in the alcove belonging to the elder of them and as if that breakage of rule were not enough were seated on the small white bed which was counted a crime to rumple The elder girl was eighteen and after to day convent rules would concern her no more for that very afternoon she was going out into the world to earn her own living as a governess She was wild with excitement and would have been enraptured with the foretaste of liberty had it not been for the child who clung to her sick and exhausted with stormy crying She looked down on her pityingly and the reverend mother could have told you Andria Heathcote was not given to compassion Her red brown hair grew too strongly on her forehead for that her full rose lips were too heavy Yet something in the very strangeness of the girl who clutched her had caught at her hard young heart For Beryl Corselas was only a child and young for her years at that It seemed to Andria that the sins of eleven years old were too seriously taken when they were considered crimes and yet her goblin ways were enough to provoke a saint or Sister Felicitas Beryl look here repeated Andria don t cry any more I ll write to you I m not going very far away The child lifted her face from the girl s shoulder It was a curious face with something almost vacant about it yet what the lack was no one could quite say She had extraordinary eyes strangely and uncannily beautiful so light a brown as to be almost yellow tawny golden under the heavy eyelashes that were black as ink The warm whiteness of her cheeks was blurred with crying paled with real despair and the startling crimson of the childish lips had been hard bitten to check the sobs that might be heard She pushed away the long cloud of straight hair that was not black nor brown but dusky a cloud of darkness with no color to be named from her face and spoke with sullen unchildlike contempt You won t write Her eyes were like burned out coals You ll mean to but you won t You re always trying to save other people s feelings outside but inside you never care You ll forget I ll try not to said Andria with a sudden pang Was she really what Beryl said Did her hatred of giving pain really make her more cruel in the end She kissed the wet cheek If I do forget if I am like that will you promise me something Remember that I don t mean to forget and that I don t really Think to yourself it s just my way and that some day you ll see me again Will you try Beryl It s no use my trying anything without you in the house with Sister Felicitas Keep out of her way then Why are you always getting into her black books Because she hates me I m never myself with her You are with Mother Benedicta I might as well be comfortable with the statue in the chapel I see about as much of her She clung suddenly to the arm that enwrapped her Oh it s you I want you she gasped If I m going to be good it will be for you Who else do I like Just you and animals and I haven t any of them except my rabbits And I hate hate hate Sister Felicitas A shadow tall slight and angular fell on them Andria looked up with a start since convent tradition was still strong in her and she was breaking rules openly Sister Felicitas stood in the doorway black against the sunlit passage You ve no right to be here Beryl Corselas her voice seemed to float out into the shaded whiteness of the alcove calm and cool as frost Go away and do your weeding Your garden is not a pretty sight Andria

felt the quick shudder in the child's body Please sister she said let me stay Andria is going away I have nothing to do with that But while I am in charge of the kitchen garden you must do your share there Go at once she said very softly but the downcast eyes were angry Andria Heathcote could not be reprimanded and Sister Felicitas longed to do it she was always making that hateful child rebel against lawful authority But to morrow she would be gone Everyone Loves a Hero Marie Force,2017-08-07

On Loves Path Michael Reisman,2009-12-08 The road may be long or short with twists and curves It is traveled with friends and pets and lovers where the ultimate journey ends up where it needs to be They say that it is how we get there that makes the trip worthwhile and not the final destination in itself In this book we will take a close look at the lives that are affected in a very positive way Fasten your seatbelts and maybe have a box of tissues ready just in case Emotions run high as the author will take you through a series of journeys traveled and spent on loves path **The Call of Silent Love** A. Carthusian,2006-03 A vocation is an extremely mysterious reality The call of God is not something extrinsic it penetrates to the most intimate centre of the heart We are what we are on account of this call The Call of Silent Love is a profound and eloquent examination of the twin themes of vocation and discernment in which the father master speaks about the nature of a calling and the internal and external struggles the discernment of spirits and the overall framework in which we live our lives The reader is faced with a rare and compelling account of Carthusian spirituality that is simple sustaining and inviting to every Christian The Tablet Other books of classic Carthusian spirituality published by Gracewing include The Prayer of Love and Silence They Speak by Silences and The Wound of Love Call to Love Mary A.
