Love Waits English Edition:

Sea of Glass Julie Godwin, 2020-11-24 No one ever talks about the beauty in the pain the stillness that can only come from accepting its edge how the face of God becomes clearer in every agonizing breath Suffering is the most damnable place on earth But when I lay here in its wake and let it wash over and through me I become a sacred beautiful holy tragedy that is so wholly here and so wholly in the realm of angels that nothing on this side of heaven can touch me Julie was first inspired to write poetry in the midst of heartache As her writings quickly evolved into intense intimate conversations with God she found herself deepening in her walk with Him and delving into deep places within herself shaping her faith and worldview In this volume of poems Julie interweaves her hearts expression with prayer and Scripture reflecting on experiences such as the beauty found in pain the baptism of a sweet friendship in Franklin Tennessee the loss of love and its subsequent healing the Lord's blinding love and crushing mercy and a premonition delivered by a little old lady in church *Sea of Glass* shares poems that explore a variety of inspirational topics while inviting us all to reflect on our relationships with God our loved ones and the world around us
