Writing Lessons That Teach Key Strategies Patricia Tabb, Nancy Delano Moore, 2001-04 Reproducible pages contain lessons such as finding an idea to write about creating vivid descriptions with sensory details developing compelling openings revising and editing

The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-07-27 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content

The Writing Revolution 2.0 Judith C. Hochman, Natalie Wexler, 2025-04-01 Lead a writing revolution in your classroom with the proven Hochman Method Building on the success of the original best seller this new edition of The Writing Revolution adds valuable guidance for teachers seeking a way to bring their students writing ability up to rigorous state standards As thousands of educators have already discovered The Writing Revolution provides the road map they need clearly explaining how to incorporate the Hochman Method into their instruction no matter what subject or grade they re teaching and regardless of the ability level of their students The new edition provides a reorganized sequence of activities and even more student facing examples making it easier than ever to bring the method to your classroom The Writing Revolution isn t a separate curriculum or program teachers need to juggle Rather it is a method providing strategies and activities that teachers can adapt to their preexisting curriculum and weave into their content instruction By focusing on specific techniques that match their students needs and providing them with targeted feedback The Writing Revolution can turn weak writers into strong and confident communicators In addition the method can Identify misconceptions and gaps in knowledge Boost reading comprehension and learning Improve organizational skills Enrich oral language Develop analytical abilities The Writing Revolution takes the mystery out of teaching students to write well
