*Books Out-of-print* ,1981      **Library Journal** ,1972-10      First German Book Emil Otto, 1896      First German Book with Exercises for Translation, Reading, Grammar, Conversation, and Vocabularies Emil Otto, 2011-07-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork      **First German Book, Vol. 1 of 2** Emil Otto, 2016-07-31 Excerpt from First German Book Vol 1 of 2 With Exercises for Translation Reading Grammar Conversation and Vocabularies Few words are required to usher this little book before the public Experience has taught us that for many who wish to learn German especially for younger pupils their study is greatly facilitated if they acquire some practical knowledge of the elements of the language before commencing a regular grammatical course To supply the desideratum we have published this First German Book as an introduction to a more logical and methodical study of the language About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      German Reading Book for Beginners J. A. F. SCHMIDT (Author of "The German Guide."), 1859      A German Reader, with German Exercises Based Upon the Text for First Reading in German: Selected and Edited with Notes and Vocabulary (Classic Reprint) William Herbert Carruth, 2018-04-25 Excerpt from A German Reader With German Exercises Based Upon the Text for First Reading in German Selected and Edited With Notes and Vocabulary The opinion is growing yearly that beginners in foreign languages should not be set to reading scraps but should begin directly upon complete pieces of moderate length and of worthy literary quality Great numbers of such stories and plays are now accessible in separate editions but a book like the present Reader has the advantages that it saves the annoyance of several separate purchases offers a given number of selections at less expense and that it can present them in a wise gradation The Exercises following and based upon the text are also carefully

graded 1 The sentences in German with the various inflections to be supplied can be taken up by the time the student has learned the declensions and the simpler verb forms 2 The English versions of the original to be turned back into German are more advanced but yet comparatively easy because the vocabulary and the constructions are all found in the original German 3 The German questions leading to an outline of the original in the student's own words call for more ingenuity but the material for the answers is all in the original German or in the exercises of the second kind As a rule all these exercises should be prepared by the student at home About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**German With Fairy Tales** Brian Smith, 2023-10-03 Embark on a mesmerizing journey through language and imagination with Learn German With Fairy Tales German A1 Reader This book seamlessly weaves classic fairy tales with a modern twist immersing you in engaging stories while enhancing your German vocabulary and comprehension From Heike's enchanting mirror that transports her to a magical world to an updated tale of Cinderella in the digital age this collection offers a delightful and interactive approach to learning Each tale is thoughtfully constructed for A1 German learners with challenging vocabulary translated and explained This reader allows you to dive deep into rich narratives without feeling overwhelmed by language barriers Discover stories of magic friendship challenges and triumphs while you strengthen your German language skills Deepen Your Vocabulary Each chapter features selected vocabulary translations helping you grasp the essence of the story and build your German lexicon Engage With The Narrative Modern takes on classic tales provide relatable and intriguing content making learning more captivating Practice Your Reading Skills Improve your comprehension and immerse yourself in well structured tales designed for your skill level Whether you're just beginning your journey into the German language or looking to refresh your skills this book provides an enchanting path to language proficiency Dive into the magic of these tales and let them guide you to linguistic mastery Learning German with A1 Stories and Glossaries Learning a new language can be daunting but with the right resources this process becomes not only more manageable but also enjoyable One of the most effective methods to learn German is through A1 level stories complemented with glossaries Here are some advantages of this approach Contextual Learning Reading stories allows you to witness words and phrases in a natural context This not only makes comprehension easier but also aids in retaining the meaning and application of vocabulary Motivation Boost An engaging story can make the learning process fun and motivational Instead of rote memorization of

isolated words and phrases you're following a plot perhaps even eager to see its conclusion Structured Learning A glossary at the end of each story aids in quickly referencing important or challenging words This allows the reader to maintain the flow of the story while expanding their vocabulary Grammatical Progress Reading stories inevitably exposes one to various aspects of German grammar Instead of relying solely on dry grammar exercises the story fosters an intuitive understanding of sentence structures and tenses Self-paced Learning With a story and glossary at hand you can learn at your own pace revisiting sections as needed and taking the time to understand and internalize each segment of the narrative By integrating A1 stories and glossaries into your German learning regimen you can enjoy a holistic contextual and enjoyable learning experience
