what more can anyone ask for from a British bank holiday The Finch Family Christmas Holiday 8 This is it folks the final Finch family holiday in the Comical Vacations series nine books in total It finds Kitty Finch heading off for a Christmas break with some of her family past and present plus picking up a friend or two along the way This time they are going on a Nordic liner for a mini Christmas cruise so they are all looking forward to this trip as long as it does not sink Well knowing her luck they could all end up at the bottom of the sea if this were any other kind of novel Only that is not a very happy ending so she feels confident that they will make it back to dry land and they do Not before there is upset all round of course and a stupid bet to win first whilst the pranks soon become the bane of her life After which they embark on the next leg of their journey to travel up to the north of Norway for an ice filled fun treat When staying at the snow hotel and getting to see and try things that they have never tried or seen before Will Kitty ever get the love she deserves Should she even have attempted to win a silly wager Can this British family ever have at least one lousy holiday without everything going tits up for Kitty Finch Would Kitty be able to claim she truly had the time of her life or would she be lying through her gritted teeth **The Kitchen**
