

## Thammasat Management: National Accounting Goals

**QUESTION:** Please consider the following questions and try to answer them based on the second semester work of this semester. Everyone should have an answer about the complete questions.

1. Discuss the implications of the funding facilities. "The government didn't and it stopped how badly could?" To whom were all these money administered and administered to whom?

2. Discuss the significance of the agency of the National Accounting (NAC)?  
 (What are the goals?)

3. How is national accounting achieved and achieved?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

4. How are the national accounting facilities achieved? What activities do they have?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

5. Why is the national accounting system not working? How can it be better than the national accounting?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

6. How is the national accounting system not working? How can it be better than the national accounting?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

7. What is the meaning of the national accounting system? How can it be better than the national accounting?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

8. How is the national accounting system not working? How can it be better than the national accounting?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

9. Discuss the meaning of the national accounting system? How can it be better than the national accounting?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)

10. How is the national accounting system not working? How can it be better than the national accounting?  
 (How is the national accounting system, and I think it is not, but I think it is not as good as it seems.)
