Introduction to Literature Alice S. Landy,1996 At about half the length and a much lower price than comparable anthologies this introductory anthology of short fiction poetry and drama is organized by genre and features chapter introductions and a bibliography of film adaptations Readings have been chosen with an eye toward classic selections and gender balance while allowing the book to retain the teachability and traditional emphases for which it has long been admired

Reading, Learning, Teaching Kurt Vonnegut Paul Lee Thomas,2006 Our English classrooms are often only as vibrant as the literature that we teach This book explores the writing of contemporary American author Kurt Vonnegut who offers readers and students engaging fiction and nonfiction works that confront the reader and the world Here teachers will find an introduction to the life and works of Vonnegut and an opportunity to explore how to bring his works into the classroom as a part of the reading and writing curriculum This volume attempts to confront what we teach and how we teach as English teachers through the vivid texts Vonnegut offers his readers Inquiry Paths to Literacy Learning Elizabeth A. Kahn,Andrew Bouque,Dawn Forde,Thomas M. McCann,Carolyn C. Walter,2019-10-31 Inquiry Paths to Literacy Learning a collection of chapters from secondary teachers and university researchers offers English language arts teachers several

models and considerations for how to design and implement inquiry based teaching and learning As the contributors demonstrate an inquiry approach can significantly boost student achievement understanding and transfer of learning The chapters in this collection present classroom tested approaches activities and assignments that teachers can use right away but that also serve as models for designing learning experiences that most engage and benefit learners Focusing on issues that adolescents find consequential the sample learning activities promote the development of complex literacy skills engage students in evidence based reasoning and foster an environment of cooperation collaboration and respect for different points of view Together the contributions in this book envision the English language arts classroom as a supportive environment for authentic inquiry and for the genuine democratic processes involved in grappling together with tough perennial and contemporary issues
