Introducing Erwc To Students Powerpoint:

Slides for Students Gary D. Fisk, 2018-10-16 300 million powerpoint presentations are given daily yet there is a disconnect between the amazing technology of powerpoint and a mediocre student learning experience To unleash the full potential of powerpoint presentations we must do a better job of creating presentations that fit the educational needs of students *Slides for Students* does just that *Slides for Students* is an open and honest discussion about powerpoint in the classroom A need exists for thoughtfully designed and implemented classroom instruction that focuses on the learner rather than on the technology This book was written to translate academic research findings into practical suggestions about powerpoint that educators can use Divided into two parts *Slides for Students* discusses the history of powerpoint explores academic studies on the topic and demonstrates how to design slides to best suit educational needs and engage with students to avoid the dreaded death by powerpoint **Introduction to Powerpoint** Simon Greely, 2000
