**Get Off Your Assets** Neale S. Godfrey, 2025-01-07 Booklist starred review From creating a money map asking what money habits do I want to change to establishing a no magic money log a budgeting exercise and assembling a personal financial team including a financial advisor accountant and perhaps a forensic accountant Godfrey provides readers with enough information to begin improving their financial outlook as they also manage divorce proceedings without being overwhelmed with complicated terminology or unnecessarily specific finance jargon highly recommended Step by step financial advice for women over 50 thinking about divorce knee deep in it or designing life after their gray divorce You had a long term marriage You had kids bought your dream house set up

investment accounts and even saved for your grandchildren's college education. You now look forward to your golden years winding down and enjoying those put off hobbies and long fantasized trips. The kids are gone but the flames in your relationship have flickered out and you can't imagine facing the next 30 years with a partner with whom you share nothing. You know you need to do something about it but you don't know where to start because in most cases he has been handling the money part of your relationship.

**Get Off Your Assets: The Ultimate Financial Guide to a Woman's Gray Divorce** is a comprehensive guide for any woman facing these money challenges. The book gives tips and tools for women thinking about divorce, knee-deep in it, or designing life after their gray divorce. The book outlines step-by-step advice for women to design their team of lawyers, accountants, and financial experts to guide them through the process. The unique approach of this book is that it engages the reader via real-life stories, quizzes, and worksheets, leaving the reader with a practical and inspirational confidence that she will be able to not only navigate this process but come out of it with a solid financial foundation for her new life.

*Rattiner's Review for the CFP Certification Examination, Fast Track, Study Guide* Jeffrey H. Rattiner, 2007-04-27

A CFP Study Guide that delivers what you need to succeed. This quick study guide for candidates preparing to take the CFP Certification Examination covers the bare bones essentials needed to pass this challenging exam in a logical and easy-to-absorb manner. Now in a Second Edition, it covers some of the most important disciplines of financial planning: insurance, employee benefit, investment, income tax, retirement, estate, and general planning, and provides a no-nonsense approach to studying that includes a highly logical and candidate-friendly format, an in-depth outline of core essentials, explanations of all relevant exposures, complete with solutions and practical examples, key points, exam tips, multiple choice, and mini case study questions, mnemonic devices, and study techniques to reinforce key points. A format that directly parallels the CFP Board's topic requirements. The Second Edition adds new multiple choice questions that correlate to the testing and understanding of the new curriculum established by the Certified Financial Planning Board, as well as eighty-nine all-new topics related to the new CFP Board Exam. For students who have been through the traditional CFP educational programs and want a book that brings it all together, Rattiner's Review for the CFP Certification Examination Fast Track Study Guide, Second Edition, keeps students organized, on track, and focused on what they need to succeed. In addition to its value as a quick reference guide to complement all CFP texts and self-study materials, the Guide also serves as an important one-stop resource for financial services professionals who want information in a hurry.
