Awards Ceremony Illinois State Police,2011 *School Prayers* United States. Congress. House. Congress. Senate. Committee on the Judiciary,2010 My Heartfelt Passion Jim Davidson,2017-12-27 In modern American society the child who grows up without learning to read does not have a prayer when it comes to achieving true success in life Unfortunately this is the case for several million of our nation s children According to an April 2017 study by the U S Department of Education and the National Institute of Literacy 32 million adults in the U S can t read Part of the reason is that 61% of low income families have no books at all in the home for their pre school children to read a crucial time when reading development takes place There is hope and it can be found in *My Heartfelt Passion Saving Our Nation One Child at a Time* written by Jim Davidson nationally syndicated columnist who founded a unique literacy project called Bookcase for Every Child in his home town of Conway Arkansas This project has now spread to five other states They have given over 2 000 personalized bookcases and a starter set of books to pre school children being reared in low income families In the author s easy conversational style he takes us to the day he was born and moves forward to share the people events and experiences that led him to develop a heartfelt passion for underprivileged children He covers his personal history how some children are born with advantages while others are born with unspeakable disadvantages After reading this book and lays it aside anyone will know the ins and outs of organizing and starting a bookcase project in their own community that is sustainable and will make a difference Without a doubt this project can be replicated in every community in America and over time can become a tool to change the lives of preschool children They will then have enthusiasm and hope that come only to literate people who can function as contributing members of society

Smith with the Perry Township/Southport Historical Society, 2018-08-13 In the early 19th century as settlers continued moving west towards Indiana, Perry Township and the town of Southport began to form in southern Marion County. Named after Commodore Oliver Hazard Perry, a War of 1812 hero, Perry Township was laid out in 1822 by county commissioners before becoming an independent township in 1824. One of the first to settle in the area, Jacob Smock farmed land near the pioneer town which later came to be known as Southport. The town was formally established in 1832 around the same time two notable pioneer settlers, Samuel and Mary Bryan, made the area their home. In 1853, Southport became the first community in the township to be incorporated and a century later Southport was one of the only communities in Marion County to remain its own city apart from Indianapolis.
