Churches and the Crisis of Decline (Ministry in a Secular Age Book #4) Andrew Root, 2022-03-01 Named One of Fifteen Important Theology Books of 2022 Englewood Review of Books Congregations often seek to combat the crisis of decline by using innovation to produce new resources But leading practical theologian Andrew Root shows that the church's crisis is not in the loss of resources it's in the loss of life and that life can only return when we remain open to God's encountering presence This book addresses the practical form the church must take in a secular age Root uses two stories to frame the book one about a church whose building becomes a pub and the other about Karl Barth Root argues that Barth should be understood as a pastor with a deep practical theology that can help church leaders today Churches and the Crisis of Decline pushes the church to be a waiting community that recognizes that the only way for it to find life is to stop seeing the church as the star of its own story Instead of resisting decline congregations must remain open to divine action Root offers a rich vision for the church's future that moves away from an obsession with relevance and resources and toward the living God This is the fourth book in Root's Ministry in a Secular Age series
