Back cover [House Divided](#) Gary B. Boyd, 2016-10-28. Brett Stamos loved his job, he loved his country, but most of all, he loved his wife. When he allowed his curiosity to override his good sense, he lost it all. Brett found out that written history does not always match up with real history. Unwittingly, he uncovered that a monumental hoax had been perpetrated on the American people. He discovered original history books that debunked six decades of misinformation that kept President Makluas government in power. Slated for termination on charges of sedition, Brett's sure death is averted when he is rescued by people that he once disavowed as invaders and trespassers. The simple Forester becomes the face of an underground Liberty Movement whose mission is to return the United States to its former glory as a beacon of freedom in a dangerous world.
