## Lessons From My Path:

The Book of my Lessons Marc Mazis, 2011-09-25 The Book of Lessons attempts to describe a series of lessons which were born from some encounters signs experiences and messages that I received from God It is filled with the spiritual tools that were lovingly given to me to help me avoid the crash and burn of a life lived selfishly and without regard to the well being of myself and others The messages and lessons include sacred sources of untold wisdom and intertwine all religions and spiritual paths They have taken me on a journey of tremendous personal transformation occurring by tuning into the Living Universe and by practice It is my hope that you too will see synchronicity in the signs and messages that you experience everyday in your great Dance with God in a loving relationship And that your connection with that love and power will light your path as you proceed and the transformation will bring you unspeakable joy Marc Steven Mazis *The Path to Forgiveness* Chinmoy Mukherjee, 2025-07-22 Before the journey there was only the grey ash of a life that had burned too brightly The man who now called himself Hriday was a hollowed out sage a ghost haunting the ruins of his own brilliance He had once been a name spoken with reverence in the halls of scholarship his intellect a blazing sun But in his pride he had sought to make another soul into a mirror of his own light and in doing so had shattered it completely The mind of his student Mitra once a vessel of peerless potential had been broken by the weight of knowledge forced upon it too soon Now the only sound in Hriday's inner world was the silent screaming echo of that shattered vessel He wandered the lands of Bharata a pilgrim with no destination his guilt a shroud that no sacred river could wash clean He saw the world celebrating the return of Lord Rama from Lanka the final victory of Dharma He watched the festivals the joyous processions the coronation that promised a new age of righteousness But for Hriday the colours were muted the music was distant and the joy was a language he no longer understood *Let Your Path Find You* Bob Logan, 2023-01-15 Every person on the planet has their own unique path assigned just to them Has your path found you By some estimates eighty percent of us are on autopilot just doing work every day to make a paycheck but not doing the ONE thing we do better than ten thousand other people the thing we are wired for that thing that gives us a chance to do world class work and make a difference in the world and leave a legacy that matters our path that we were destined to walk Author and speaker Bob Logan's path found him many years ago and that path has taken him on a glorious adventure filled with love heartache joy pain and enduring and unforgettable memories of a life well lived Three times he has walked the 1500 year old Camino de Santiago the 500 mile spiritual journey across Northern Spain learning valuable life lessons he shares here From an early age he was brave enough to step out and try new adventures along his assigned path some successful and some not so successful But all were important Every step led him to where he is today and he wouldn't change a single thing He has gleaned many valuable lessons that he shares here to help you live your best life In this book you will learn how to Overcome fear of failure Not be afraid of stepping outside your comfort zone Tune out the naysayers in your life and find your own path Raise your ambitions and be bolder

with your actions Listen to your inner voice more Live a joyful life in spite of the trials and tribulations we all face Live YOUR life not the life someone else wants you to live Don't settle for someone else's version of success Let your path find you Then follow it wherever it leads

to slowly ascend When he married the woman God placed in his life and with a son they both loved his life began to resemble some sense of being normal But even with everything positive happening in his life a home church position and career job everything almost came crashing down It was his faith in God that enabled him to endure His faith in God to deliver and keep him until he arrives at his eternal home was the strength and guide that kept him moving forward on the journey home
