A. King,1837 *Let's Love Once Again* Dr. Sapna Pandey Mishra,2022-07-02 This story collection presents different ideas passions and feelings those throw light on a different world of love If love could be found in human shapes then definitely it would look like characters of Let s Love Once Again Love as a tender feeling like first down power of rain love as a wild passion or love as an internal journey has been portrayed Love Knocks at the doors of all the hearts in one of the above forms However there are very few who can witness and respect all the colours of love The book is a noble journey embellished with tender feelings of love The book is for all those who are ready to live their aspirations frustrations and accomplishments This is for the people who have guts to accept their broken dreams gloriously and to see new dreams **Let's Love** Padre St. Germain,2016-04-16 Love the essential ingredient that binds everything bringing a whole new fathom to our respective lives We have yet to truly scratch the surface or even digest or comprehend its alluring everlasting power In our childhood we are all attracted by the big book that yields simple defining words beside the colourful images that are designed to prepare us for life These fascinating colours and words will reign forever in our conscience I have tried to capture that youthful book element and hope that it holds with the readers attention That the words and photos ring true to the aspects o our beautiful life within the auspices of love From an early age I was mentored by a great man wise and humble in his approach to life He felt it his duty to inform me that the sole purpose of life was about each individual identifying themselves with the love Further still that life without the love essence was wasteful and meaningless that we should essentially be educated in the art of love I strove in my own haphazard way to understand

eventually absorbing some of his remarks and pondering long and hard on them The end result is a book striking in its wording and illustrated images as I have attempted to encompass every facet of the life that is love I hope that my own words accompanied with the photos contain an imaginative invigorating political and philosophical element some of which are humorous but all laced with the undercurrent of love

God Is Love, Let Love Lead Gwendolyn Jones, 2021-11-19 God is Love Let Love Lead is thought provoking spiritually enlightening and hopefully encouraging While written during a time of political chaos and civil unrest the title could have easily been no love no justice no peace If the opposite of love is hate then the absence of God can produce the same In summary the book embraces the all encompassing meaning of the phrase God is love God Is Love will never be just another feel good slogan despite how hearing it makes us feel good The pages contained within demonstrate how God's love must be applied to every area of our lives especially marriage and family which is the foundation of our existence God's love must be extended to our neighbor coworker customer and enemy which produces the basic concept of who God is Mark 12 30 31 tells us to Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength love your neighbor as yourself There are no commandments greater than these NIV When we allow God to lead his love is manifested in everything we do every conversation every action and every reaction God's love is never based on skin color material possessions money educational status job title physical features fraternity or sorority political or professional affiliation or talent Hate is so prevalent in the world today only love God can conquer hate A revelation of who God is and who he created humanity to be versus what it has become is crystal clear from the cover to the last chapter Every human being is born with the capacity to both experience and extend love but sympathy concern hunger for life lusting wanting and needing are emotions that have always been confused with real love which must begin with God The ability to love like God loves comes when a spiritual relationship is established with the creator God's love is the picture of a Shepherd's love it commits provides for takes care of communicates to listen seeks to understand and never ends The
