Videogames Mia Consalvo, Konstantin Mitgutsch, Abe Stein, 2013-07-18 From Pong to Madden NFL to Wii Fit Sports Videogames argues for the multiple ways that sports videogames alongside televised and physical sports impact one another and how players and viewers make sense of these multiple forms of play and information in their daily lives Through case studies ethnographic explorations interviews and surveys and by analyzing games players and the sports media industry contributors from a wide variety of disciplines demonstrate the depth and complexity of games that were once considered simply sports simulations Contributors also tackle key topics including the rise of online play and its implications for access

to games as well as how regulations surrounding player likenesses present challenges to the industry Whether you re a scholar or a gamer Sports Videogames offers a grounded theory building approach to how millions make sense of videogames today

Encyclopedia of the Sixties Abbe A. Debolt,James S. Baugess,2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren t there This encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came after Encyclopedia of the Sixties A Decade of Culture and Counterculture surveys the 1960s from January 1960 to December 1969 Nearly 500 entries cover everything from the British television cult classic The Avengers to the Vietnam War and the civil rights movement The two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period There was much more to the Sixties than flower power and LSD and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade Thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural Right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era
