

Interpersonal Communication Reflective Paper

Our ability to communicate well with others is important to personal and professional success. The interpersonal communications course is planned to help us in being familiar with the system of effective, and to assess our own interpersonal ability to sharpen our critical understanding of the communication, also to improve the interpersonal skills. Mainly assess our interpersonal skills and to put in goals for improving our communications ability. To development of self-concept and identity are examined as basics for understanding personal communication. We explore our own communication behaviors and to identify areas of personal strengths and weaknesses. Interpersonal communication is differs from other types of communication.

There is barely any participant involved, the interacting are in close physical proximity to each other. My report will reflect on what we have learned so far and how I am able to identify my strength and weaknesses. Interpersonal communication is ways that relationships are created, maintained, and changed. Relationships between people, usually in face-to-face or private settings dealing with issue of interpersonal communication we must realize that people view it differently. It helps us to understand why people behave, communicate different ways to construct and negotiate a social reality. Communication may contain the aspects of listening, persuading, asserting and nonverbal communication.

Self Perception is the awareness of the characteristics that constitute one's self; self-knowledge. The way that I perceived myself is a strong, independent woman who overcame a lot at a young age. Who will never lets her guard down, and I'm afraid to even let my hair down just for a second to enjoy life itself. I'm tiring to play catch up in my life thru my kids. Like for example what I went thru I'm making sure they don't. I giving them everything I didn't have any more.

When I love I love so hard that sometime it runs others off. I don't know how to let by gone be by gone I hold on to them. My needs and wants come last to my kids. The word fun does mean a thing to me unless my kids or happy what makes them happy makes me happy. With me being so tuff it makes it hard for a man to try and love me because I'm use to doing it all by myself it's hard to let someone in.

Communication Goals It is improving skills in face-to-face communication. It's to help us think about how we communicate with others in face-to-face situations. I don't think people truly know how important it is to know how to communication is to our everyday life. With the help of this class I'm willing to improve me and the way I communicate to family, friends and other.

Do you know how many times I tried to communicate with others and they took it the wrong was because of the way I said it or the way I looked at them. You would never think that your word and body language is ways that people judge you as a p

Interpersonal Communication Reflection Paper:

Environmental Communication Pedagogy and Practice Tema Milstein, Mairi Pileggi, Eric L Morgan, 2017-02-24 Given the urgency of environmental problems how we communicate about our ecological relations is crucial Environmental Communication Pedagogy and Practice is concerned with ways to help learners effectively navigate and consciously contribute to the communication shaping our environmental present and future The book brings together international educators working from a variety of perspectives to engage both theory and application Contributors address how pedagogy can stimulate ecological wakefulness support diverse and praxis based ways of learning and nurture environmental change agents Additionally the volume responds to a practical need to increase teaching effectiveness of environmental communication across disciplines by offering a repertoire of useful learning activities and assignments Altogether it provides an impetus for reflection upon and enhancement of our own practice as environmental educators practitioners and students Environmental Communication Pedagogy and Practice is an essential resource for those working in environmental communication environmental and sustainability studies environmental journalism environmental planning and management environmental sciences media studies and cultural studies as well as communication subfields such as rhetoric conflict and mediation and intercultural The volume is also a valuable resource for environmental communication professionals working with communities and governmental and non governmental environmental organisations

A Journal of Personal Exploration, Reflection and Discovery Eric Moon, 2010-06-17 As high tech as the world of personal communication is it still relies on the written word to transfer thoughts and ideas Writing a sentence solidifies a thought as well as records it so to be available for review in the future Significant Sentences provides exercises facilitating the combination of your personal spirit quiet reflection and your past experiences to come together and produce sentence that is recorded or saved Using paper and pencil keystroke and screen or even your smart phone use Significant Sentences as a personal journal or a way to reach out using social media tools like Facebook Blog or tweet your moments of discovery How we write and transmit ideas is vastly changing but it still comes down to words conveying thoughts and emotions These exercises can serve as a connection between teacher and student speaker and audience cyber audience or soul to soul By sharing stories and ideas about your interpersonal life electronically or on paper the individual may discover hidden writing talents a gift for poetry blogging or tweeting Your reflections may become a poem song or school essay The variety and quantity of questions in each exercise are designed to spur the writer on by providing some starting point and giving some direction Significant Sentences can be the catalyst for internal retrospection Writing can reveal the negative as well as the positive That is the cathartic joy and challenge Facing those negatives or seeing them more clearly can be exactly what you need to conquer them Trust yourself that good can be derived from recording your thoughts and reflections and the connection with the self is the key to personal enlightenment May you find hidden treasures and truth within

Sustaining and Improving Learning Communities Jodi

Levine Laufgraben, Nancy S. Shapiro, 2004-06-28 Sustaining and Improving Learning Communities is the long awaited follow up to the groundbreaking book Creating Learning Communities The authors continue their exploration of the concept of learning communities as an innovation in undergraduate curricular instruction that allow students to actively participate in their own education and deepen and diversify their college experience Jodi Levine Laufgraben and Nancy S Shapiro address a wide range of topics such as campus culture for sustaining learning communities learning communities and the curriculum pedagogies and faculty development Teaching Communication Anita L. Vangelisti, John A Daly, Gustav W.

Friedrich, 2013-11-05 The field of communication was founded in part because of a need to make people better communicators That meant teaching them how to communicate more effectively whether it be in public settings or in private Most of that teaching has happened within the classroom and many professionals have spent their lives instructing others on various aspects of communication Inside this second edition the editors have assembled a fully comprehensive and contemporary discussion of topics and issues concerning the teaching of communication The chapters contained herein contributed by key voices throughout the communication discipline address conceptual as well as practical issues related to communication instruction The contents of this new edition reflect the dramatic changes that have occurred in communication education since the publication of the first edition in 1990 This book focuses initially on the goals of communication education then delves into the preparation of specific communication courses It includes assistance for instructors in organizing instructional content and discusses the use of instructional strategies and tools as well as offering ideas on evaluating the processes and products of instruction The volume also covers unique teaching assignments that may be encountered from the basic course to continuing education and addresses 2 year college teaching directing forensic programs distance education and consulting It concludes with important professional issues faced by both new and experienced communication instructors including ethics and political issues within classrooms and departments This volume is a necessity for anyone starting out a career as a communication instructor Veteran educators who know that learning to teach is a continual growth experience will find useful and invaluable information within the book s pages Whatever background and level of experience all communication educators will find this new edition to be an essential resource for their work
