

Lesson Plan Template

This lesson is made for both regular students and students with autism. From the three hands-on activities, two activities are appropriate to be used with students with autism. Students with autism will be sat by themselves beside their shadow teachers while learning about the letter Y and while completing the activities.

Name: literacy (the letter of Y).

Personal Aims (What do YOU need to work on in order to grow professionally?)

- Making the classroom a student-centered one not a teacher-centered one.
- Practicing of how to make students understand well.
- Thinking of how to manage time, classroom, and students.
- Practicing to be more confident and give a better lesson to students.
