Altar Music Christin Lore Weber, 2001-09-29 In her achingly beautiful and revelatory first novel Christin Lore Weber a former nun explores the nature and power of passion sexual religious and artistic and brings us into a mysterious cloistered world rarely made public Set in the wild rock and lake region of northern Minnesota this is an exquisitely told tale of three generations of strong willed women and their inner battles to balance personal longings with the disciplines of their church Meghan in the first generation dismisses the priest's injunctions regarding sex and succumbs to her passion for her husband But when family tragedy strikes she believes she has been brought down by the hand of God himself for her sexual indulgence In the second generation Kate is so afraid of what God could take away husbands fathers brothers music even God could take your life if he wanted that she learns to steel herself against any deep emotion or desire to simply endure be faithful and hope to be spared some small thing she loved something perhaps God didn't want By the third generation the passions that moved her mother and grandmother have converged and intensified in young Elise who is roused by forces beyond her understanding She is at once a daughter of the Catholic church a music prodigy and a tuning fork for nature's wildness But upon her high school graduation in 1958 Elise forsakes her musical genius and her family to enter the convent a beautiful exhilarating disillusioning and haunting experience that will drive her ultimately to consider leaving the church Written with stunning lyricism and emotional authenticity **Altar Music** is a portrait of a nun as a young girl a portrait of a family both defined and divided by its religious beliefs and a powerful story about mothers and daughters Heart wrenching and thought provoking this novel brilliantly depicts the blurring of the lines between sexual passion artistic passion and religious fervor and the losses we suffer when we try to translate one into another **The Saturday Evening Post**, 1923
