this uproarious last hoorah rich with fun and inspirational kindness **Tough Guys and Drama Queens** Mark Gregston, 2012-07-09 Are you ready for your child's teen years? If you've ever lain awake at night wondering what might be around the corner of your child's adolescence, this book is for you. After more than thirty-eight years of working with more than 2,500 young people, Mark Gregston, founder of heartlight, a Christian residential counseling center, introduces *Tough Guys and Drama Queens*, a must-read how-to book for parents of pre-teens and teens with time-tested biblical techniques to guide you through these unavoidably challenging years. Mark helps parents realize that some natural parenting approaches are actually counterproductive and therefore totally ineffective. In place of those, he offers tried and true wisdom on the vital importance of relationship, forgiveness, and explains how conflict is actually the precursor to change. Everyday your child is bombarded by highly sexualized culture and over-exposed to words and images that can influence them beyond your reach; your connection to them during these years is critical, as is your response to tough issues such as appearance, performance, authority, and respect boundaries, and many more. Tim Price Plays: 1 Tim Price, 2014-11-05 Introduced by the author, this is the first collection of Tim Price's plays. The winner of the 2013 James Tait Black Prize for Drama, Tim Price's work includes *For Once Salt Root and Roe*, *The Radicalisation of Bradley Manning*, *I'm With the Band*, *Protest Song*, and *Under the Sofa*, published here for the first time. *For Once* Through a series of interweaving accounts, *For Once* cuts to the heart of a family and a community turned upside down by unimaginable tragedy. *Salt Root and Roe* A wry heart-breaking drama of love, grief, and acceptance set against the mythical backdrop of North Pembrokeshire. *The Radicalisation of Bradley Manning* This award-winning play tackles one of the most controversial political stories of our age, placing it in the context of other great Welsh radicals from the Chartists to Aneurin Bevan. *I'm With the Band* A witty response to the Scottish Independence debate in which an Englishman, a Northern Irishman, a Scotsman, and a Welshman struggle to maintain the previous harmony of their rock band. *Protest Song* Price's funny and savage monologue which explores the reality of the Occupy movement through Danny, who sleeps rough on the steps of St Paul's Cathedral. *Under the Sofa* Previously unpublished, *Under the Sofa* is a mother's monologue about the experience of her son being in prison for a violent crime. *The Buddha of Suburbia* Hanif Kureishi, 1991-05-01 A wickedly funny novel. *The New York Times* from the author of *SHATTERED*. There was one copy going round our school like contraband. I read it in one sitting. I'd never read a book about anyone remotely like me before. *Zadie Smith* My name is Karim Amir and I am an Englishman born and bred almost. The hero of Hanif Kureishi's debut novel is dreamy teenager Karim, desperate to escape suburban South London and experience the forbidden fruits which the 1970s seem to offer. When the unlikely opportunity of a life in the theatre announces itself, Karim starts to win the sort of attention he has been craving, albeit with some rude and raucous results. With the publication of *The Buddha of Suburbia*, Hanif Kureishi landed into the literary landscape as a distinct new voice and a fearless taboo-breaking writer. The novel inspired a ground-breaking BBC series featuring a soundtrack by David Bowie. Winner of the Whitbread Prize for Best First Novel.
