Forever Lily Beth Nonte Russell,2007-03-13 Will you take her she asks When Beth Nonte Russell travels to China to help her friend Alex adopt a baby girl from an orphanage there she thinks it will be an adventure a chance to see the world But her friend who had prepared for the adoption for many months panics soon after being presented with the frail baby and the

situation develops into one of the greatest challenges of Russell's life. Russell watching in disbelief as Alex distances herself from the child cares for the baby, clothing, bathing and feeding her and makes her feel secure in the unfamiliar surroundings. Russell is overwhelmed and disoriented by the unfolding drama and all that she sees in China and yet amid the emotional turmoil finds herself deeply bonding with the child. She begins to have dreams of an ancient past, dreams of a young woman who is plucked from the countryside and chosen to be empress and of the child who is ultimately taken from her. As it becomes clear that her friend whose indecisiveness about the adoption has become a torment won't be bringing the baby home, Russell is amazed to realize that she cannot leave the baby behind and that her dreams have been telling her something significant, giving her the courage to open her heart and bring the child home against all odds.

Forever Lily is an extraordinary account of a life-changing wholly unexpected love. Extraordinary Dogs Liz Stavrinides, John Schlimm, 2019-10-22. A beautiful photo book showcasing more than 50 heroic dogs in uniform and their stories from photographer Liz Stavrinides and author John Schlimm. Extraordinary Dogs portrays more than fifty working dogs along with the police officers, firefighters, veterans and other trained volunteer handlers who serve side by side with them. Their moving stories and beautiful photographs are an unprecedented glimpse at Comfort Dogs and Search and Rescue Dogs along with bomb detecting, TSA dogs and canine ambassadors from across the United States. The stories of the Lutheran Church Charities K-9 Comfort Dogs take readers behind the scenes of their headlining deployments such as the Boston Marathon bombing, Superstorm Sandy and the mass shooting at Marjory Stoneman Douglas High School. Search and Rescue K-9 teams reveal what it's really like to travel into the eye of natural disasters, accidents, crime scenes and the worst terrorist strike in recorded history. At Washington Dulles International Airport, readers meet several of the Department of Homeland Security's TSA dogs whose sole job it is to keep the flying public safe from explosives and other dangers. Extraordinary Dogs is both a portrait of what love, hope, courage and heroism look like in their purest forms and a tribute to the eternal and impactful bonds we forge with our furry friends.

Angel of the Tsar Marlene Christian, 2011-08. There is Russian folklore of a sacred stone known as The Angel of the Tsar. Worn for centuries by Russia's nobility, it was considered lost forever after the murder of the Romanovs until April 1998 when Canadian journalist Angelique Laird receives a mysterious special delivery package containing an antique Russian diary and a pendant encasing a luminous gemstone. Angelique has no time to investigate as she must rush off to an assignment in France unaware that it will bring her together again with the man who was once the great love of her life. This reunion and possession of the gemstone catapults Angelique into a tapestry of Royal intrigue which unveils her connection to the Romanovs and her destiny. The decisions Angelique must now face will not only seal the fate of her beloved but that of the entire world. An inspirational novel of hope and healing, Angel of the Tsar weaves a tapestry of messages for humanity if we are willing to learn from our past. This book is at once Empowering, Inspiring and Enlightening. A mystery within a myth inside of a love story, Angel of the Tsar speaks to the feminine spirit within us all.
