Hr Practice And Procedures Short Course Unisa:

The A to Z of Careers in South Africa, 2006 **Sustainable Development in Africa** Walter Leal Filho, Rudi Pretorius, Luiza Olim de Sousa, 2021-07-09 This book serves the purpose of documenting and promoting African experiences on sustainable development which encompasses both formal and non formal education Sustainable development is very important to Africa but there is a paucity of publication which documents and promotes experiences from African countries Due to their complexity the interrelations between social economic and political factors related to sustainable development especially at universities need to be better understood There is also a real need to showcase successful examples of how African institutions are handling their sustainability challenges It is against this background that this book has been produced It is a truly interdisciplinary publication useful to scholars social movements practitioners and members of governmental agencies and private companies undertaking research and or executing projects focusing on sustainability from across Africa As African nations strive to pursue the UN Sustainable Development Goals it is imperative to cater for the information needs seen across the continent and foster the dissemination of experiences and case studies which may support both on going and future efforts The scope of the book is deliberately kept wide and we are looking for contributions across the spectrum of sustainable development from business and economics to arts and fashion administration environment languages and media studies *Repertorio Mundial de Instituciones de Investigacion Y de Formacion en Materia de Derechos Humanos* Unesco. Social and Human Sciences Documentation Centre, 2001 This directory prepared on the basis of information received by UNESCO in response to a questionnaire includes lists of regional national and international institutions co operation programmes human rights periodicals specialists and institutions providing scholarships *Finweek*, 2006-11 *Information, Knowledge, and Technology for Teaching and Research in Africa* Dennis Ocholla, Omwoyo Bosire Onyancha, Aderonke Olaitan Adesina, 2024-06-01 This book focuses on data and knowledge management for teaching and research in Africa The importance of the information and knowledge society in current times is recognized and adopts a meta analysis to demonstrate that modernization theory could be applied to economic development and rapid transformation of ISWEs in South Africa The book argues that modernity and the information and knowledge society present the shift and transition from the traditional way of doing things through information and communication technologies ICTs which could bring about developing progressing and advancing developing communities particularly Informal Sector Women Entrepreneurs ISWEs The book also has further shows how the modernization theory could be applied to the plight of ISWEs to assist them in leapfrogging from their situation and enjoying global business platforms Various techniques and strategies for collaborative engagements among academics towards strengthening scholarly ties within institutions and across borders especially in Africa are presented This is a valuable source for understanding the contemporary issues in information and knowledge management sharing and collaboration among university academics for

undergraduates and postgraduate students in the library and information science profession Tacit knowledge is also presented as an asset that boosts innovation and generates competitive advantage for organizations in all walks of life Global research data management RDM literature is emphasized in higher education institutions HIEs and their libraries The status of RDM services as well as the competency requirements of employees responsible for providing RDM services and researchers are addressed in the examined literature

Handbook of Research on Social Inequality and Education Wisdom, Sherrie, Leavitt, Lynda, Bice, Cynthia, 2019-06-28 In comparing one public school to another discussions frequently include talk concerning the socioeconomics of a school or district which then leads to talk about the advantages that one socioeconomic setting has over another Educators tend to agree that low academic achievement frequently associated with a low socioeconomic status is a characteristic difficult to resolve for a population of school children The Handbook of Research on Social Inequality and Education is a critical reference source that provides insights into social influences on school and educational settings Featuring an array of topics including online learning social mobility and teacher preparation this book is excellent for educational leaders educational researchers teachers academicians administrators instructional designers and teacher preparation programs

Training Management P. S. Van Dyk, 2001 The third edition of this book is updated and includes the skills development legislation and applications as well as government policy guidelines aimed at alleviating the skills shortage in South Africa Aspects such as sensitizing the work force to diversity change management accelerated development along equity lines SAQA requirements as well as leadership development have been fully addressed
