Fort Wayne Xxx Guide:

The Official Railway Guide, 1894 **Great Plains Forts** Jay H. Buckley, Jeffery D. Nokes, 2023-12 *Great Plains Forts* introduces readers to the fortifications that have impacted the lives of Indigenous peoples, fur trappers and traders, travelers and military personnel on the Great Plains and prairies from precontact times to the present. Using stories to introduce patterns in fortification construction and use, Jay H. Buckley and Jeffery D. Nokes explore the eras of fort building on the Great Plains from Canada to Texas. Stories about fortifications and fortified cities built by Indigenous peoples reveal the lesser known history of precontact violence on the plains. *Great Plains Forts* includes stories of Spanish presidios and French and British outposts in their respective borderlands. Forts played a crucial role in the international fur trade and served as emporiums along the overland trails and along riverway corridors as Euro Americans traveled into the American West. Soldiers and families resided in these military outposts and this military presence in turn affected Indigenous Plains peoples. The appendix includes a reference guide organized by state and province enabling readers to search easily for specific forts.

Robert Loeffler reviews the basics of press release writing, gives several examples of successful press releases and explains in detail how the reader can set up an ongoing press release program to provide a high degree of effective publicity at very low cost. As a major form of communication for businesses, public and private institutions and the government, the press release is a tailor made promotional tool for both large and small budgets. Loeffler discusses the mechanics of writing press releases, providing the press release writer with a diagrammed writing approach for clear structure, a list of do's and don'ts to prevent common errors, samples of the most common types of releases, a step by step explanation of release production so as not to overlook important tasks for completion, suggestions on how to write related releases such as trade show press kits. Experienced in house communications and PR writers, nonprofit PR staffs, government and military public affairs staffs and advertising agency writers will find Loeffler's book a handy reference for polishing press release writing skills.
